Homecoming: raindrops and a crown

The enthusiasm and excitement of Homecoming Week reached its peak on Friday with the crowning of the homecoming queen.

Curiosity and excitement brought many people to the pep rally Friday morning and the game on Friday night.

At pre-game, sweethearts and their escorts were announced. At half-time, with the queen to be announced, not even the dreary drizzle could dampen the crowd.

Among hugs and umbrellas, Derrick Cameron, Student Council treasurer, crowned Tomi Ballou as 1984-85 homecoming queen. Traci Ballou was named 1st runner-up and Suzan Rutledge was named 2nd runner-up.

Homecoming week was completed when the Yellow Jacket football team defeated Terrell with a victory of 24-9.

ALL SMILES-Tomi Ballou is congratulated by her father, Mr. Harold Ballou after being crowned queen.

FINAL TOUCH-Derrick places the crown on Tomi's head.

SIDE BY SIDE-Tomi's escort for the homecoming pep rally was Donny Borah.

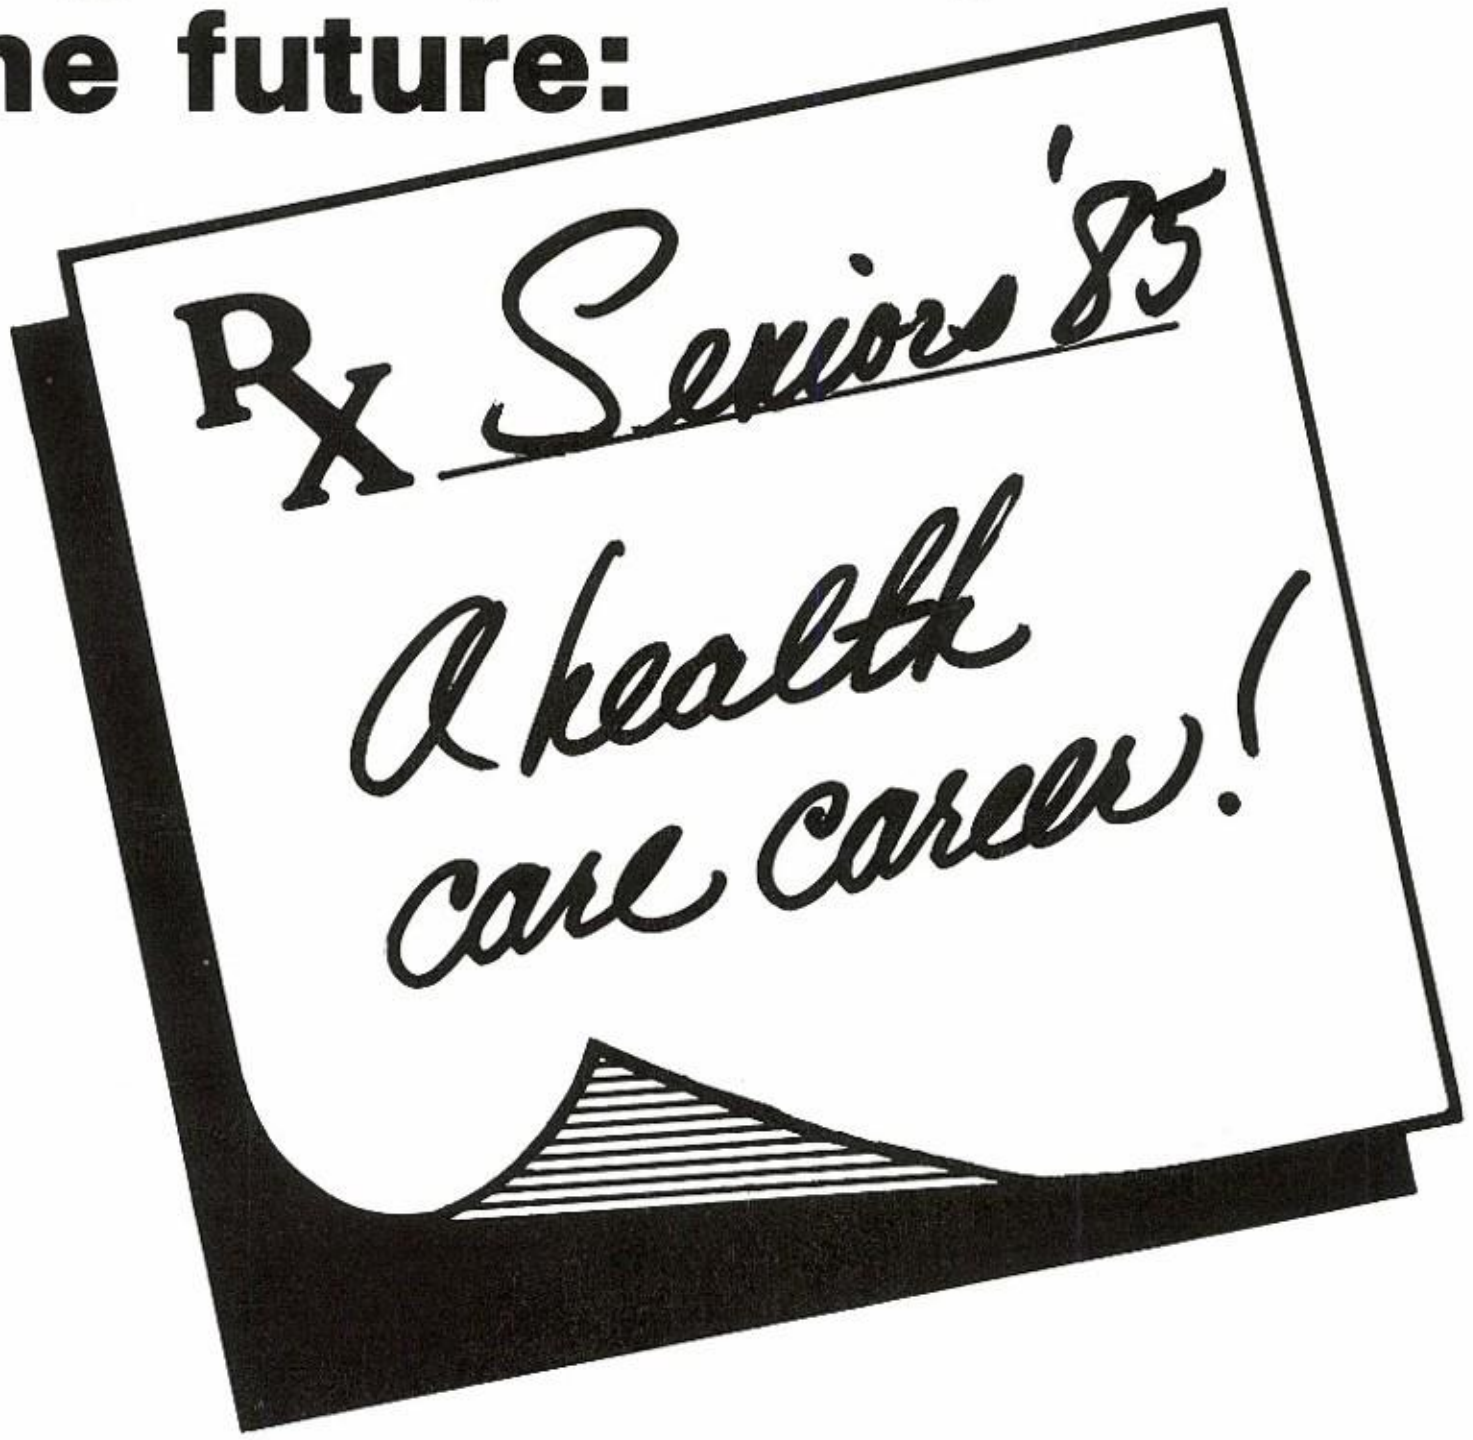
A good prescription for the future:



A career in the field of health care could be just what the doctor ordered for your future. Texoma Medical Center has over 50 different health-related occupations, many of which require only a high school diploma.

Laboratory technicians, physical therapists, medical records technicians, pharmacists, nurses and social workers are only a few of the professionals in health care employed at the Medical Center. Persons skilled in business, carpentry, engineering, computer usage,food preparation or clerical work are also employed at Texoma Medical Center.

The health care industry provides employment for hundreds of Texoma area citizens who take a great deal of pride in a meaningful, beneficial profession. We're building a reputation on innovation!

Let's Get It Together!-Students dance to everything from the Cotten-eyed Joe to Rock 'n Roll.

Footloose

By Laura Goforth

After those exhilarating football games, students gathered at the Boys Club dances to wear off all that extra energy.

The Student Council sponsored the dances as victory celebrations for the Jackets and their fans.

These nights were special to many. They were a time to laugh and have fun with friends.

Spittin' Seeds?

By Roger Hanson

Yes, that wild bunch of Christian Athletes was actually spitting watermelon seeds! FCA sponsored a watermelon party for fellow athletes who were interested in joining the club

Students got together, had a good time and even participated in a seed spitting contest.

Later the same evening, Student Council sponsored a car smash which gave students a chance to really smash a car in honor of Sherman week. Students paid a small fee to let out their frustrations on the car.

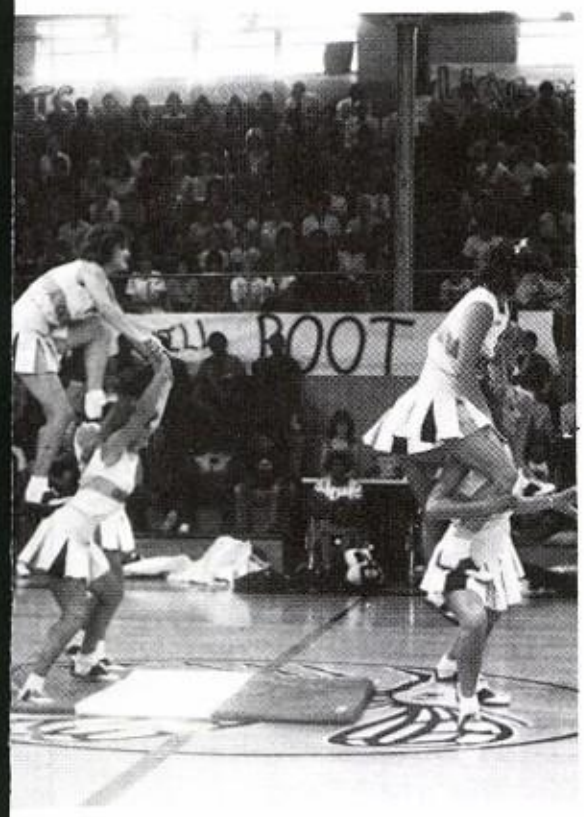
Jackets are Catbusters

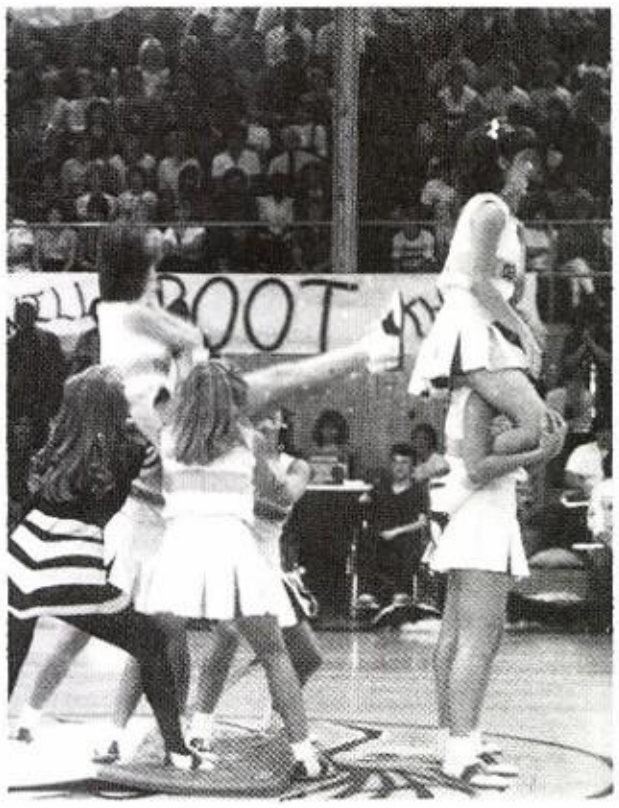
Excitement ran high at Denison High School as the Sherman-Denison football game approached. The Yellow Jackets, with a victory over R.L. Turner, were ready to win back the axe and return it to its rightful place at D.H.S.

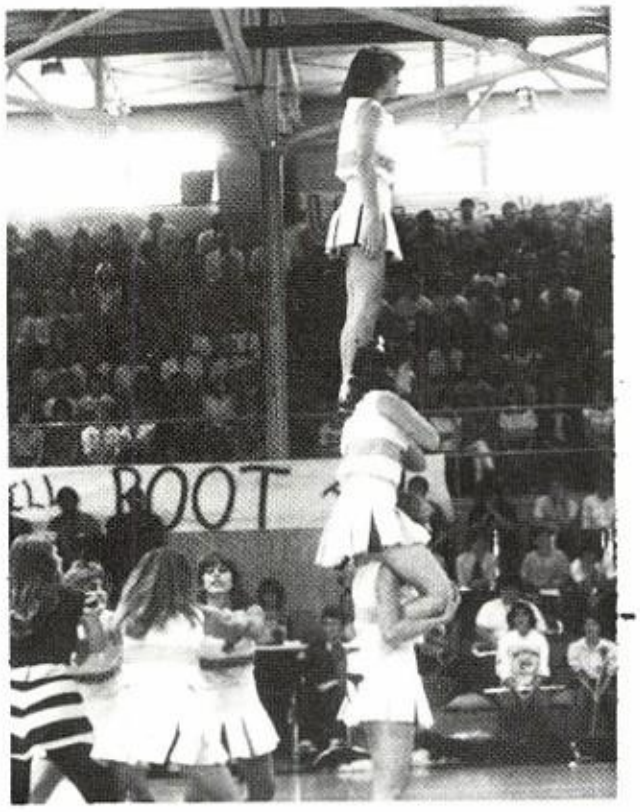
Sherman Week usually heralds the approaching close of the football season. In the past, excitement had time to develop through the year, and, by the time the game had approached, the school was overflowing with anticipation. But this year, with the game falling on the second week of school, many people were still trying to readjust to school, and many were caught unexpectedly.

Although the week was a little slow getting started, it was nevertheless a week full of excitement. The week started off Monday with students encouraged to "turn the Bearcats Inside-Out." Tuesday was Shade Day to "put the Bearcats in the Shade." Wednesday, students wore colorful socks, remindig the Jackets to "Sock it to the Bearcats." Tie Day came on Thursday,with everyone ready to " Tie up the Bearcats." Friday was traditional Color Day, to get everyone into the spirit for the game that night.

The main theme for the wek was "Catbusters," based on the movie "Ghostbusters." Other ideas borrowed from the movie include a "Catbusters" pin picturing a Bearcat with a circle around it and a line across, and song entitled "Catbusters," written by Roger Hanson Jr. and sung at the pep rally by Nathan Johnson, based on the song "Ghostbusters" by Ray Parker. Later that night the Jackets would prove that they are indeed "Catbusters."







E WILL NEVER FALL-Jacket rsity Cheerleaders build eat spirit during Sherman ek. They are Tomi Ballou, Traci Ballou (head), Lori England, Marlene Fritts, Shannon Gregg, Mary Jacquinot, Betty Ann Martin, Sheila Todd, and Janet White. (Mascot)

F YOU'RE HAPPY AND YOU KNOW IT CLAP YOUR ANDS-Gary Don Wright, Marlene Fritts, John Wolf, anet White, Jim Chapman, Tony Brown, Donny Borah, omi Ballou, Tony Plauche, Traci Ballou and Ritchie Patterson show their spirit by performing Sting'em Jackets during the Sherman pep rally. All this spirit helped boost the Jackets to their victory over Sherman with a score of 23-6.

People of all ages boost Black 'n Gold

All during the Jacket's winning football season, sports fans of all ages came out to support their team. The students really got the team excited with special activities in the weekly pep ralleys. As the Jackets kept winning, spirit kept growing. Soon, all the people in Denison and the neighboring towns wanted to show the team just how proud they were of their winning season. While the town's enthusiasm grew, so did many friendships. This season proved that you can win in more ways than one. Jackets won in sports, and the town won friendship. Spirit played an important part in the winning season.

Casper visits Neewollah

"Casper the Friendly Ghost" was the theme for Neewollah, annually sponsored by the Den-teens.

Neewollah candidates were chosen to run for royalty, and campaigned by collecting five-cent votes.

Richie Stein and Suzan Rutledge were king and queen; Donny Borah and Rhonda Fritts were prince and princess; Michael Beeson and Shawnna White were duke and duchess; and Scott Marr and Kim Mace were lord and lady;

In the individual talent competition, Priscilla Crain won first place and Johnny Lewis won second place. In the group competition, the varsity cheerleaders won first place and the Texas Kountry Kloggers won second place.

Homerooms play ball

By Debbie Hedrick

This year, homeroom classes joined in the Octoberfest activities. One activity was basketball. Two homeroom classes met during homeroom to play a fun game of basketball.

On each team there has to be two girls. After one of the boys made two points, the team could not score again until a girl made two points on that team. This year's homerooms seem to be enjoying this a lot.

"Bye Bye Birdie" Produces Stars

The musical "Bye Bye Birdie", presented by the choral and drama departments was truly a success this year. Acting and musical talent was apparent as students performed the "show of their life". One could tell the students were enjoying themselves as they performed before enthusiastic audiences. Students learned that hard work does pay off, as they practiced many hours after school trying to accomplish the task ahead of them, and that was exactly what they did.

The fine arts department produces a musical every year and this year, two musicals were produced. "Scrooge" was also presented and provided a beautiful and meaningful Christmas program.

Biology has night laboratory

By Sandra Walker

Every Monday night from five to nine, Room 225 is occupied by students delving into lab work.

From dissecting cats, squid and frogs, to fly colonies and planarian regeneration experiments, there is something for everybody. But, it is easy to see that it is not all work.

Mr. John Terry, department director, supervises the lab and teaches honors biology and a college level micro biology and zoology class.

Really, It's Fun-These are the exact sentiments of (from left) Jeff Fulencek, Sandra Walker and Christi Jones.

Cheerleaders, mascot try out for new year

by Lori Engiand

Tryouts for the 1985-86 cheerleaders were held on Wednesday, February 20 in the gym. Candidates for Varsity and J.V. tried out during homeroom in groups in front of the student body. At 2:30, the Varsity, J.V. and 9th grade candidates tried out in groups and individually before judges.

Varsity and J.V. scores were based 40% on student body vote, 40% on judges evaluation and 20% on teacher recommendation. 9th grade scores were based 70% on judges evaluation and 30% on teacher recommendation. Head cheerleader for Varsity and J.V. were based 50% on student body vote and 50% on squad vote.

Marlene Fritts (head), Lori England, Betty Ann Martin, Kendall McKinley, Shawnna White, Christy Holland, Michelle Martindale, Beth Glass, and Kendall Houston(mascot) were elected Varsity.

Paige Hudgins (head), Stacie Edwards, Tama Groff, Kim Jones, Lori Mullens, Jodie Smith, Rochelle White, and Meredith Williams were named J.V.

Jenny McCarley (head), Laura Ballou, Lara Coker, Missy Hollensed, Jina Horton, Jessica Lowe, Candice Noe, and Rhonda Patterson were elected Freshmen cheerleaders.

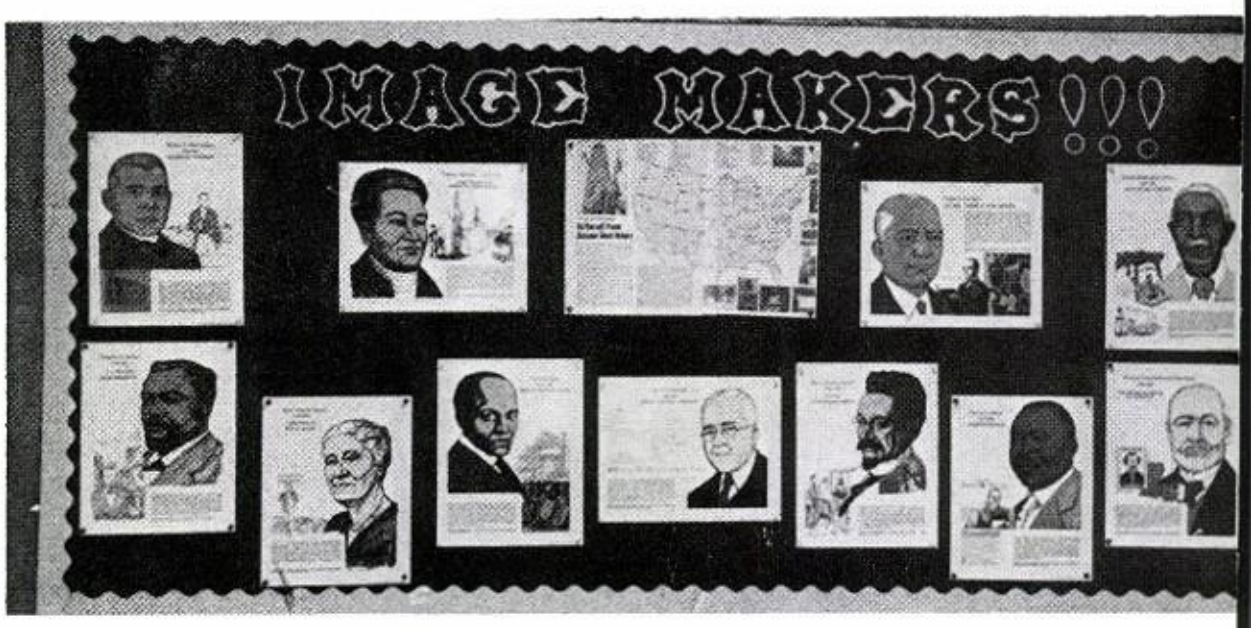
Heritage Club Holds Assembly

by Diana Henry

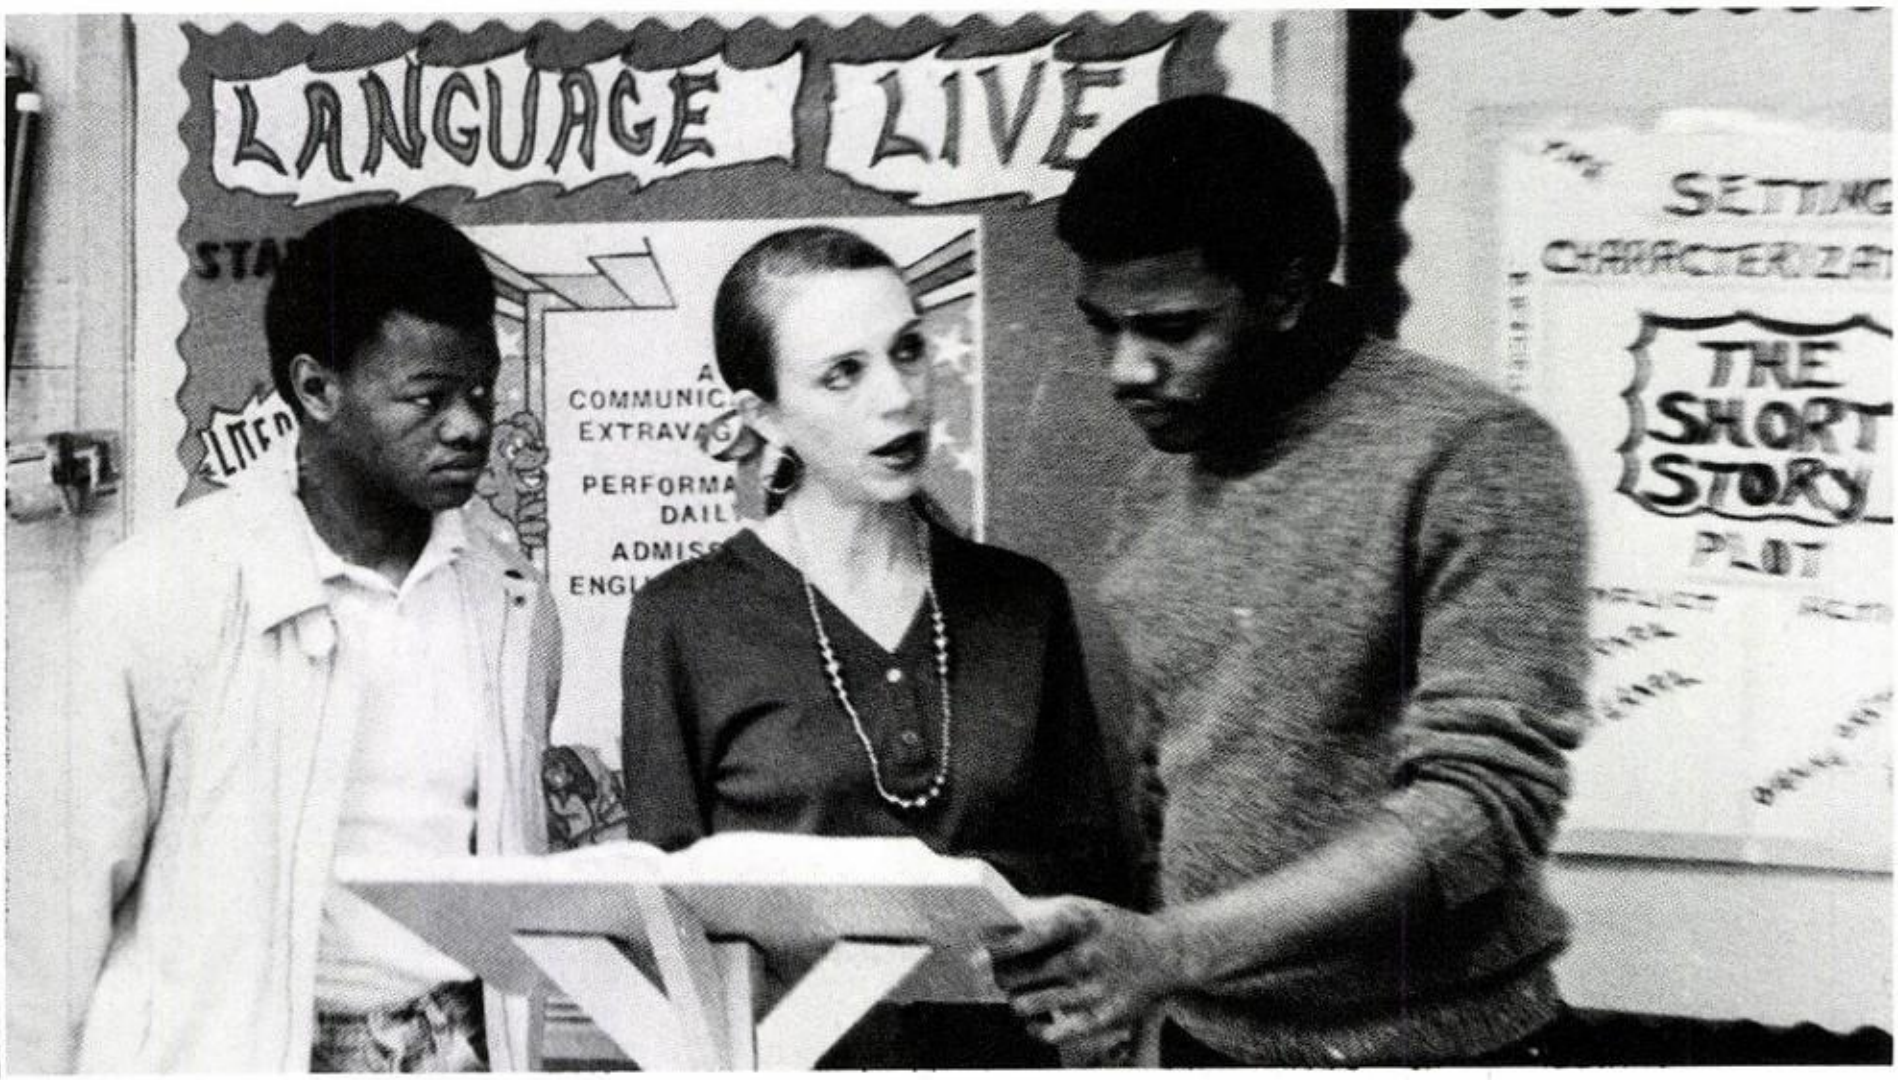
The Cultural Heritage Club observed Black History Month in March with bulletin boards, announcements and an assembly. Mrs. Winifred King, newscaster for KDSX, was the guest speaker. Derrick Cameron was the Master of Ceremonies and Felicia Dawson organized the music. In an interview for the Stinger, Greg Watson, reporter for KXII T V gave his advice, "Never give up, keep pursuing your goals, no matter how hard they seem, because if you try hard enough, you can succeed." Fred Washington, senior, played a prominent part in achieving the state championship title. He feels that athletics have influenced him by learning how to set a goal and achieve it, and self discipline.

Ronnie Kelly played basketball for the Denison Yellow Jackets, and his advice for up and coming young black people, is "Have respect for others as well as yourself and you'll succeed."

Mrs. King brought the audience to its feet with a soulful rendition of "America" to end the assembly.



(top)-Winifred King, a news-director for KDSX and a career journalist, smiles brightly for the camera. She was a guest speaker and she pointed out the fact that through teamwork, the Jackets were able to achieve the state title.
(middle)-The members of the Cultural Heritage Club sing at the assembly held in March, in Eisenhower Auditorium. The students sang "The Battle Hymn of the Republic" and "Lift Every Voice and Sing."
(bottom)-Bulletin Boards that displayed successful black citizens were in front of the office, art room, and the home economics room.



TAKE A CLOSER LOOK-Derrick Cameron, Eric Hunt, and Mrs. Mary Barrett prepare for the assembly. Mrs. Barrett began teaching at Denison High School this year.

MASTER OF CEREMONIES- Derrick Cameron leads the assembly, and is an active student at Denison High.

Leaders change community

Two of the people who have changed this community by their actions and words, are Mr. Evans Tyree Hardeman and Mr. D.D. McKnight.

Mr. Hardeman was born in Bay City, where he attended school at Booker T. Washington and graduated from Galveston High School.

At Sam Houston College he received a Bachelor of Science degree majoring in chemistry and biology, and minoring in education. He received his masters degree from Texas Southern College in Houston.

From 1932-1938, Mr. Hardeman was a science teacher and coach in Bay City and Denison. He organized the first black scouts in these areas. He was also a veteran civic leader and was named "Man of the Year," by Down Payment Incorporated.

Mr. McKnight was the first black city councilman and the first black president of a civic club. He is a native of Denison and a leader in the community. He believes that his mother was the main influence on him because she encouraged him to finish high school and go to college. He also feels that the teachers in his high school, his church training and other black leaders of the community played a big part in his success. In addition, he has always had a strong desire to be successful. His advice to young people is "You should strive for good character and study hard in school."

Cheerleaders build enthusiasm

Cheerleaders support the school in many ways. They have demanding jobs which include preparing pep rallies, practicing cheers, baking goodies for the team, mending and cleaning uniforms, practicing again, and they spend hours endlessly painting signs. Cheering itself isn't easy either. Jumps have to be mastered, movements precise, and voices maintained.

Musical disaster is success

"The Great American Musical Disaster" was presented by the senior class May 24-25 as this year's senior play.

The play, which really was not a musical at all, was about a film producer trying to make it "big" in the movie business.

The cast and crew consisted of 35 hardworking and dedicated seniors who put in approximately a total of 60 hours on the play, with the help of their directors, John and Nancy Terry.

"The seniors of '85 can be proud of the play they presented. The cast was one of the largest ever. Every member of the cast worked very hard and each made an exceptional performance," said the Terrys.

All proceeds from the play were used to pay for senior day.

Drill team gives awards

Christy Caldwell was named Outstanding Stingerette, Christi Jones Outstanding Officer and Kelly Garvin Most Congenial when the Denison High School drill team (Stingerettes) held their annual banquet May 18 at the Rod and Gun Club.

A "Shades of the South" theme was carried out in the decor of the club for the event.

Jones gave the invocation and Bruce Hysmith, master of ceremonies, welcomed the special guests, Mr. and Mrs. Mark Martin, Dr. and Mrs. Bill Jacobs, Bill Parker and Lola Johnson, Mr. and Mrs. Jerry Jones, parents and dates of the Stingerettes.

Guest speaker was Lesby Ray, drill team consultant at East Texas State University.

Darlene Willoughby, director of the Denison drill team, presented charms, certificates and flowers to the senior members.

Junior members received certificates and letter jackets.

The men managers were presented certificates and gifts.

Willoughby presented trophies to the present officers — Jones, captain; Garvin, first lieutenant; Shelley Arthur, first lieutenant; Tracey Smith, second lieutenant; and Jennifer Hysmith, second lieutenant.

New officers announced for the 1985-86 year are Hysmith, captain; Thelma Wilson, head lieutenant; Smith, first lieutenant; Carolyn Crenshaw, first lieutenant; Tisha Robinson, second lieutenant; and Rebecca Terry, second lieutenant.

The new members of the 1985-86 drill team were introduced and presented yellow carnations.

Golden Band honors members

The Golden Band from Jacketland held its annual awards banquet May 17 at the SNAP Center.

Officers were installed, and special recognition was give to band workers and helpers, in addition to the chaperones. Also recognized were the eighth grade boys — Derek Rodriquez, Philip Montgomery, Jeff Householder and Larry Ertel.

The Band Parents presented a special award to the band in honor of their Division I rating earned in UIL competition.

Band directors are Dr. Mike Raleigh, Mike Walker, Leonard Crocker and Randy and Linda Bullock:

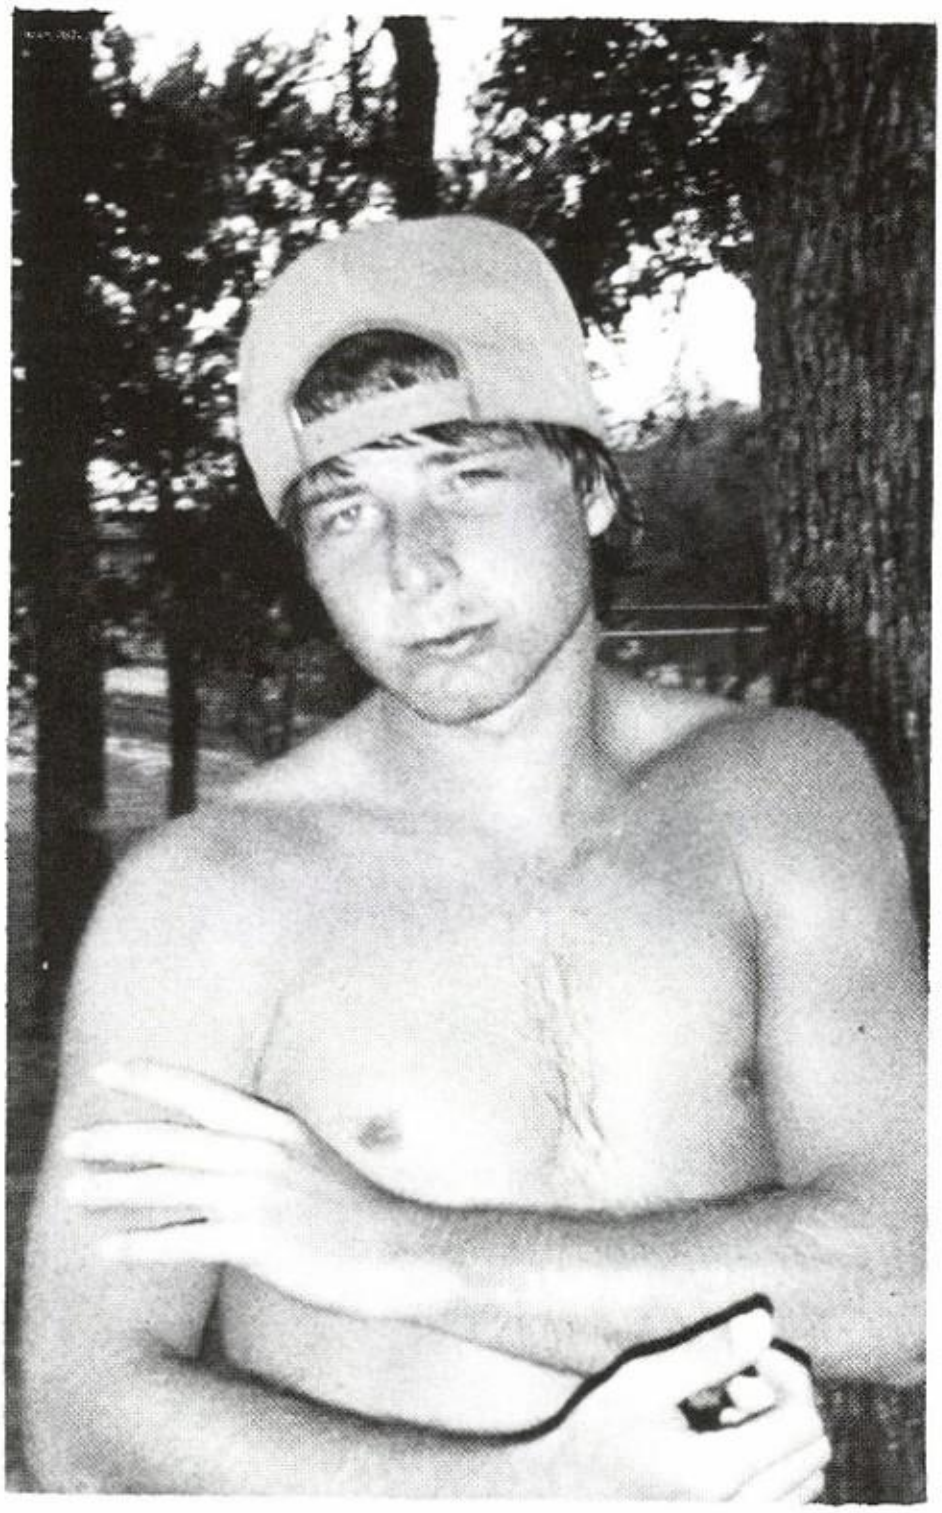
Senior Day held annually at the Grayson County College swimming pool proved to be fun once again for seniors.

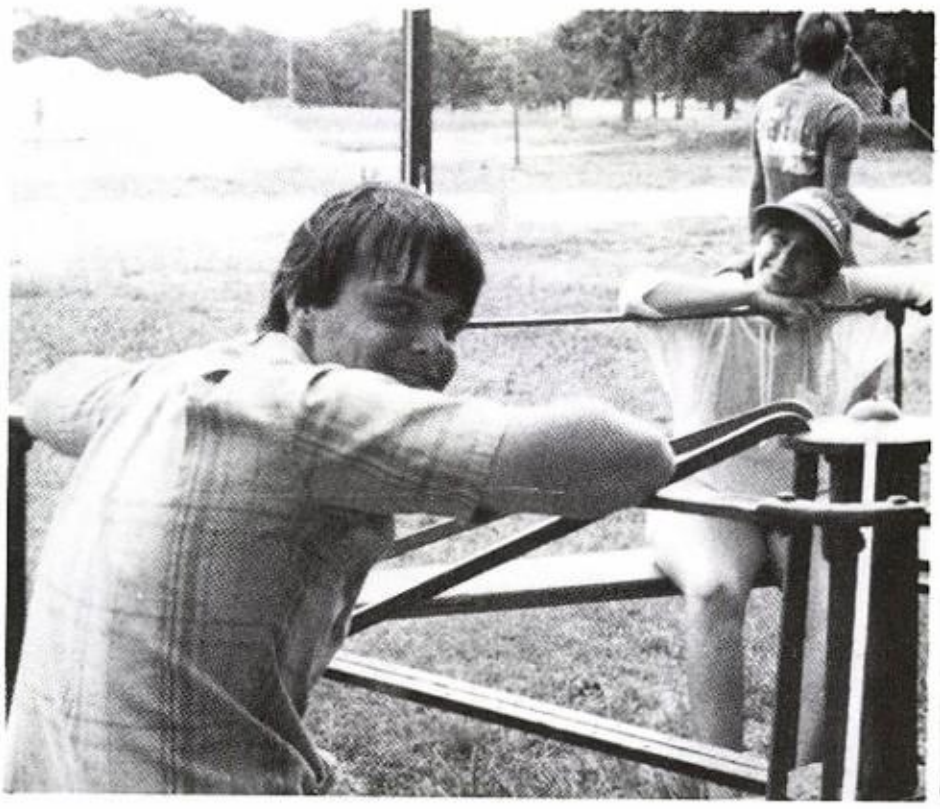
This all-day party gives seniors a chance to be with their friends one last time before graduation.

Senior Day started off at 8:30 a.m. at Munson Stadium with graduation practice. Following the rehearsal, seniors piled into cars and headed for the pool where all the fun began.

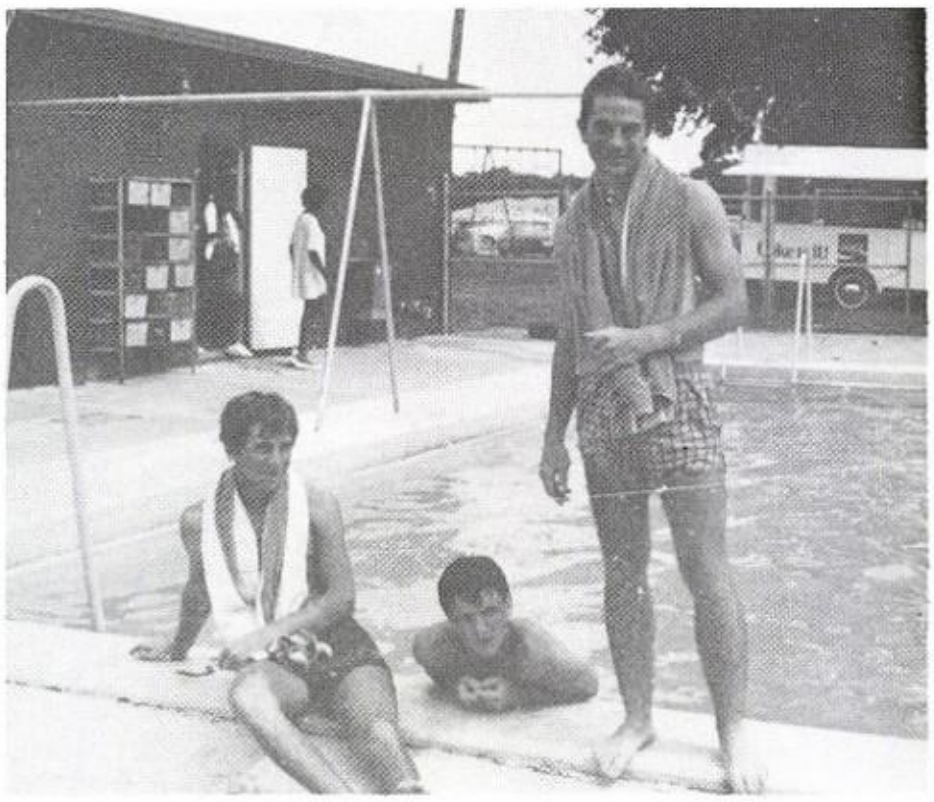
Games such as volleyball, horseshoes, hackysack, golf and tennis occupied most of the day. A highlight was an airplane ride for seniors wanting to get an aerial view of their home town.



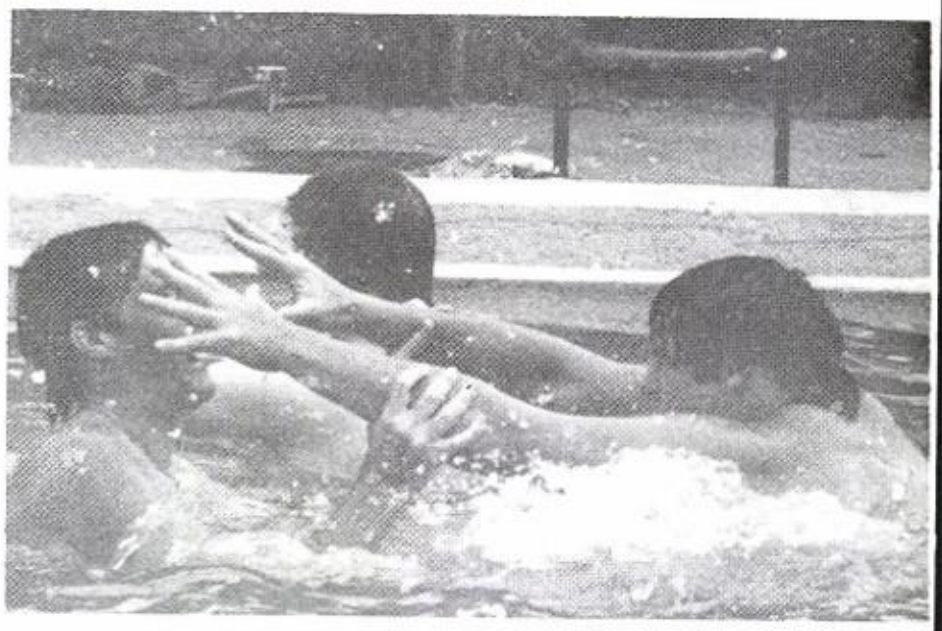
MR. MUSCLE-Bart Bush shows off his tan to the girls (above). **I'LL GET YOU MY PRETTY**-The seniors showed good sportsmanship while playing volleyball (bottom right).

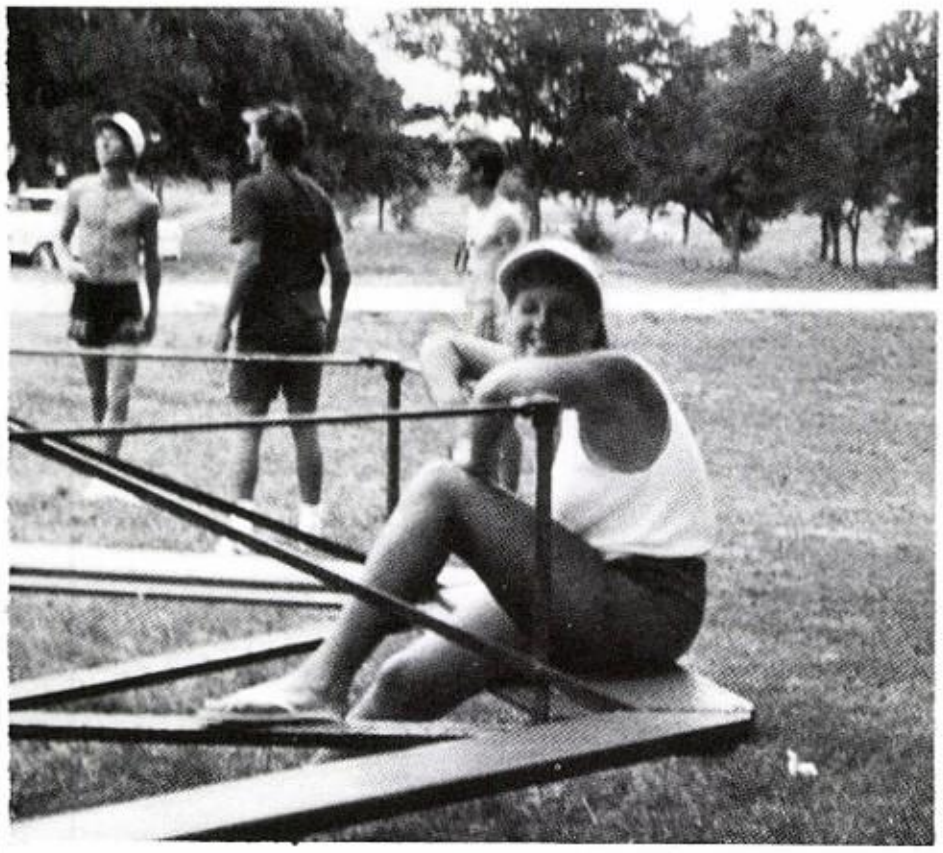


ROUND 'N ROUND-Kevin Perkins and Cassandra McBrayer take a rest on the merry-go-round.

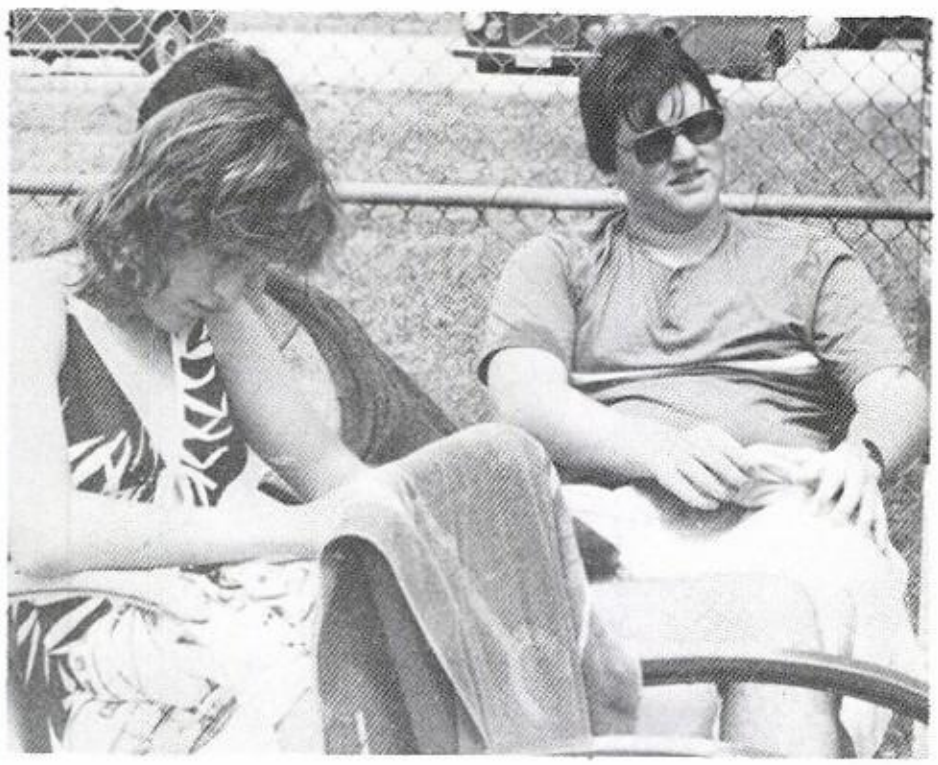


THREE MUSKETTERS-Brian Donowho, Don Martin, and Brad Peel take a cool dip in the pool.



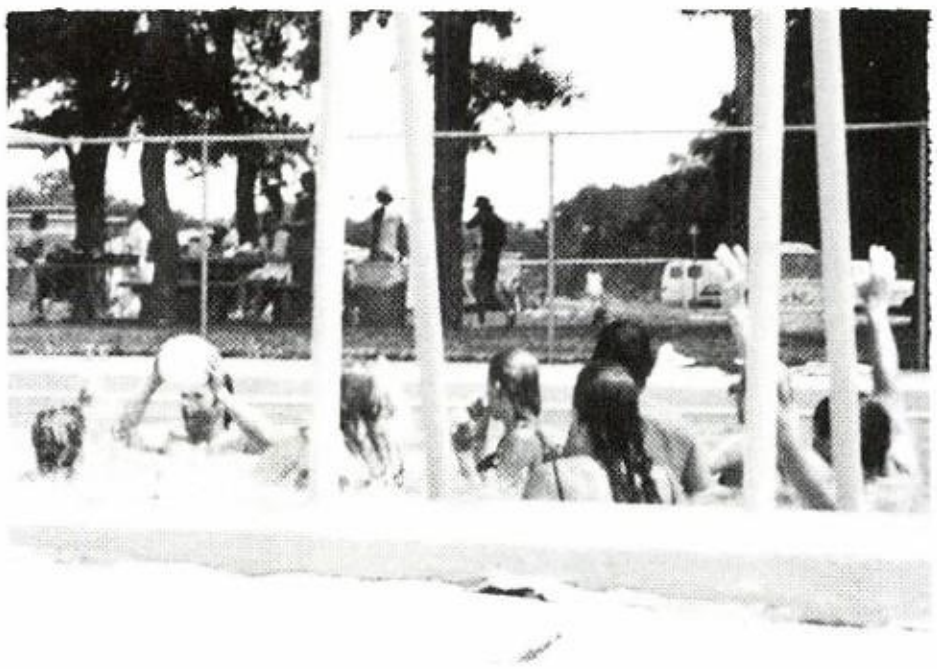


STOP THIS THING-Rhonda Montgomery plays on the merry-go-round while at senior day.

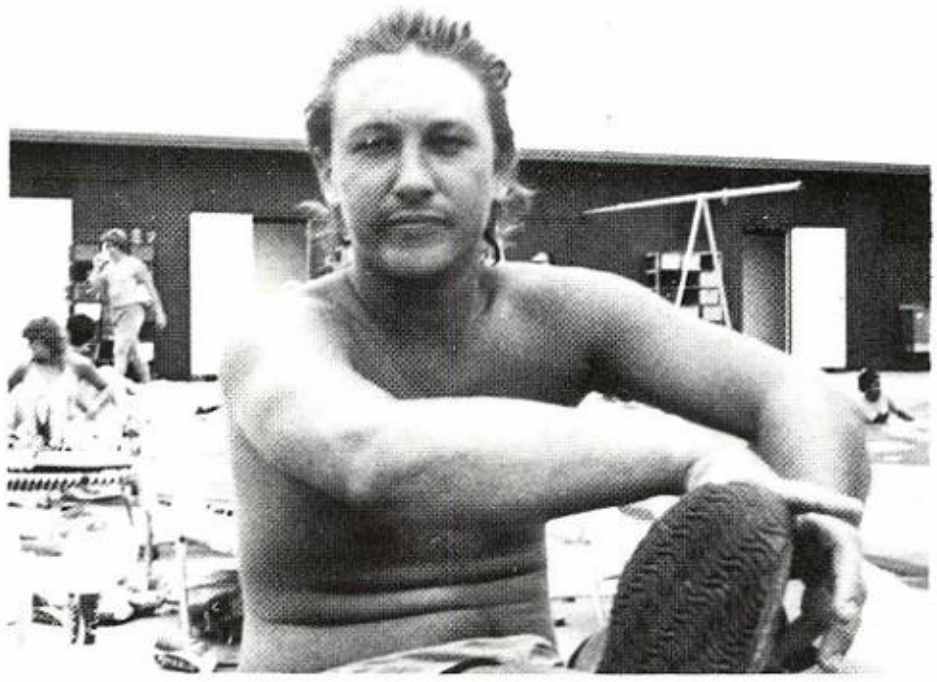


TAKIN' IT EASY-Beth Melvin and David Sedlacek sit out of the games for a while to take a rest.

TEAM WORK-Eric Floyd and Mike Earhart team up in horseshoes.



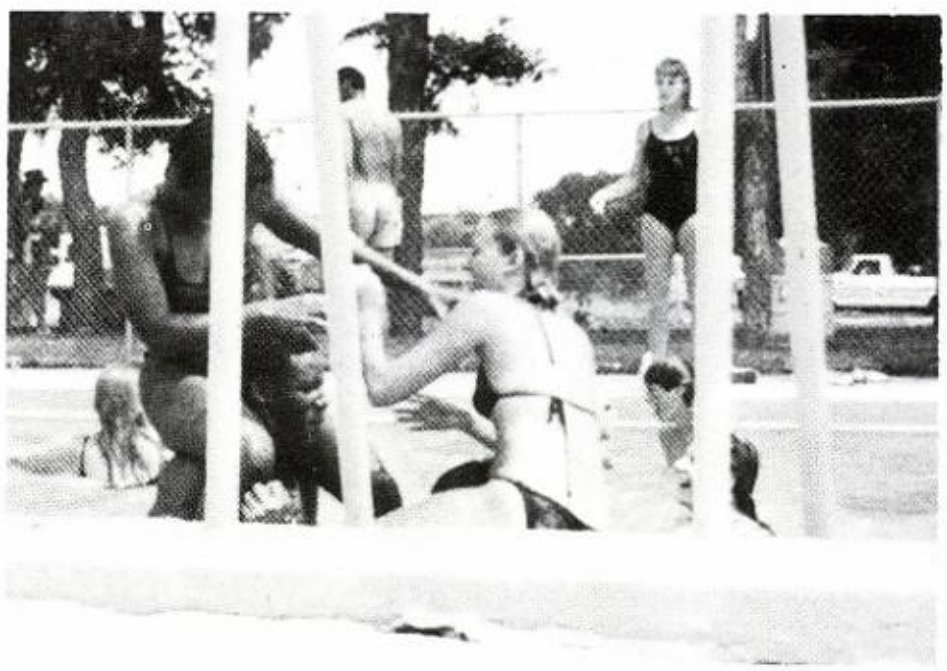
THROW IT THIS WAY-Volleyball was one of the games played in the pool.



SMILE!-Duane Parker takes off his shoes to get into the pool (above). **HOOK 'EM**-Micheal Crump shows his skill at throwing horseshoes (left).

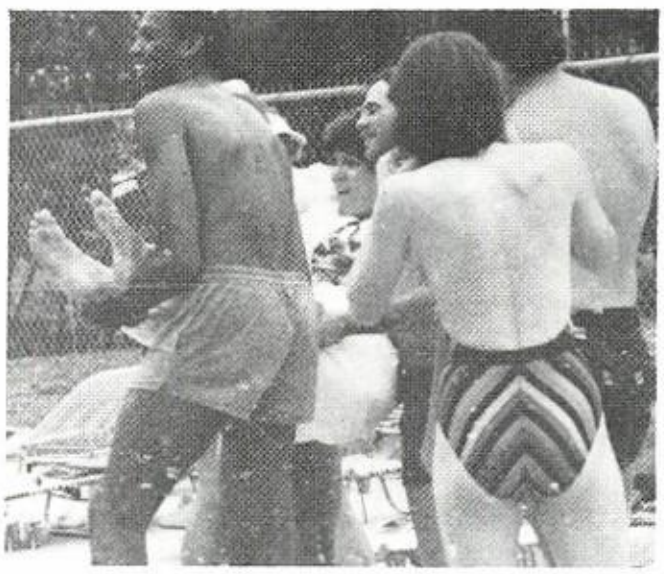
LAST TIME TOGETHER-Kathy Cook, Kelly Garvin, Susan Cassidy, and Shelly Arthur make the best of their last times together.

SWIMSUIT BEAUTY-Shelly Arthur gets caught by the camera.

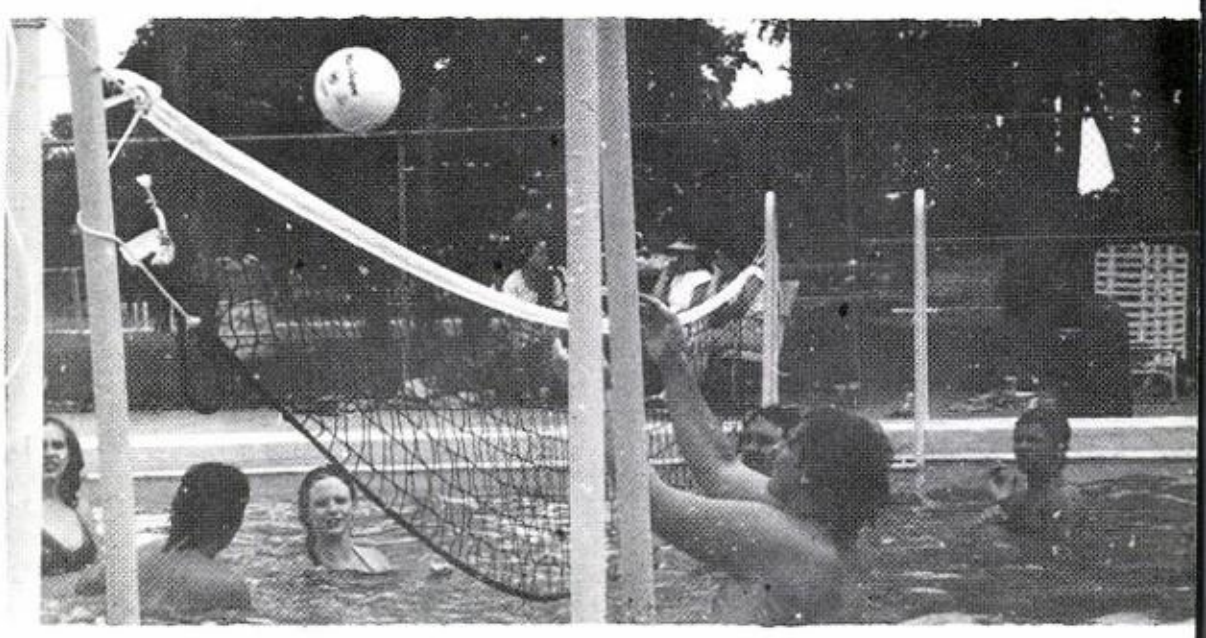


WHO'S A CHICKEN-Tony Brown, Phyllis Perry, Michael Crump, and Suzan Rutledge chicken fight.

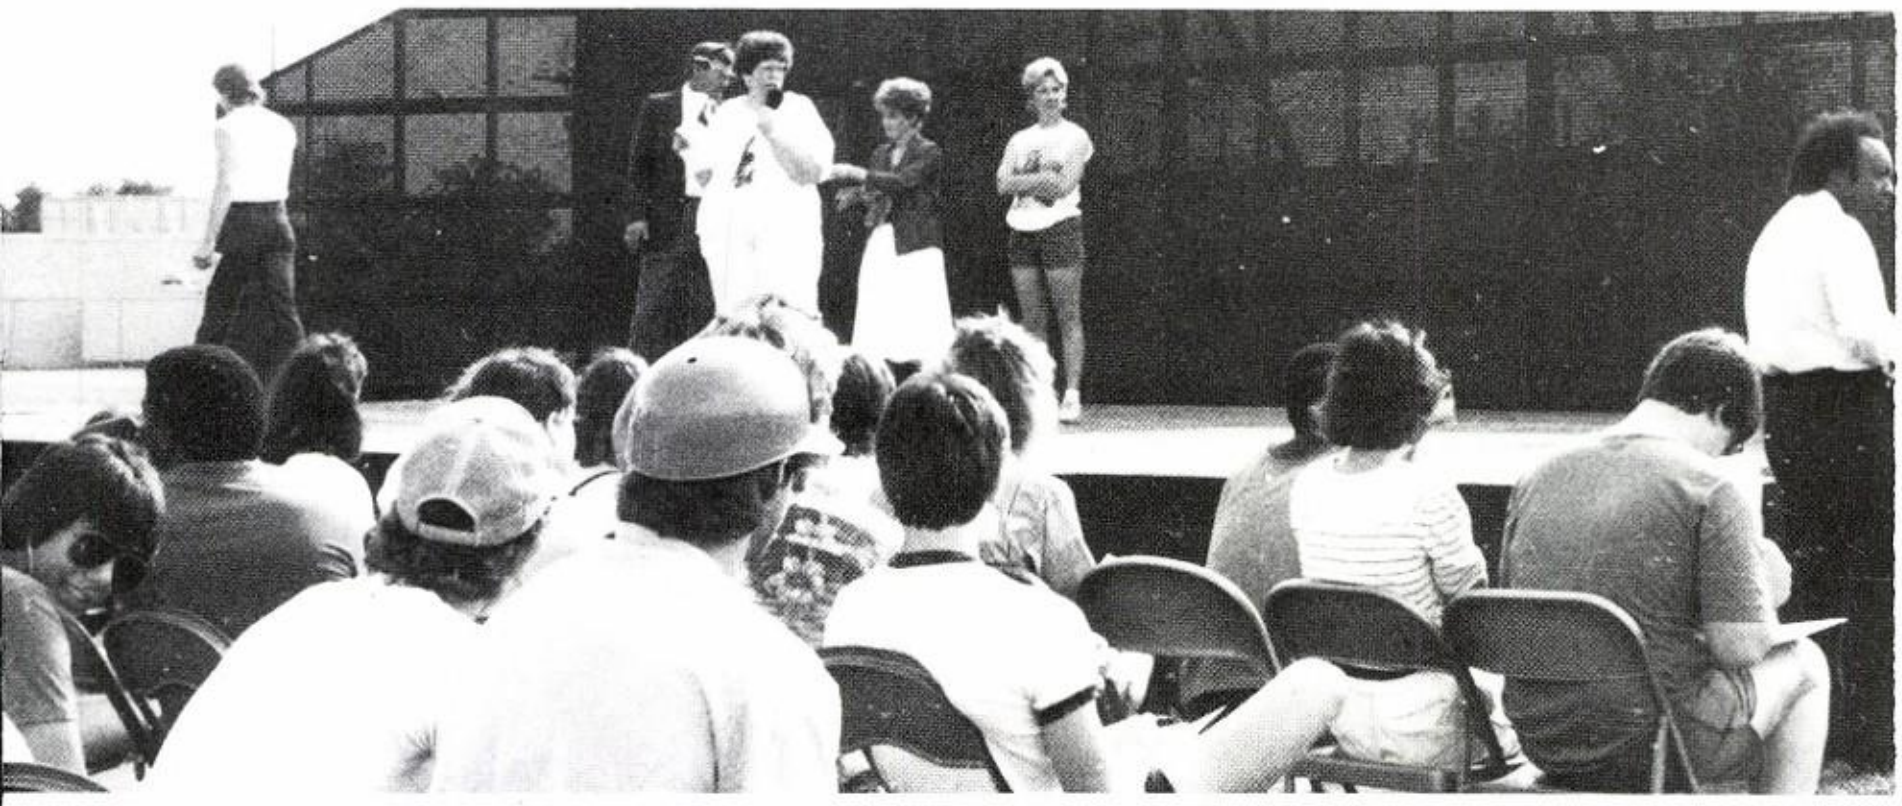
WATCH THIS-Gary Wright and Michael Crump watch intensively as Richie Patterson throws a horseshoe



YOU WOULDN'T DARE!-Mrs. Sylvia McBrayer was almost thrown into the pool by the seniors.

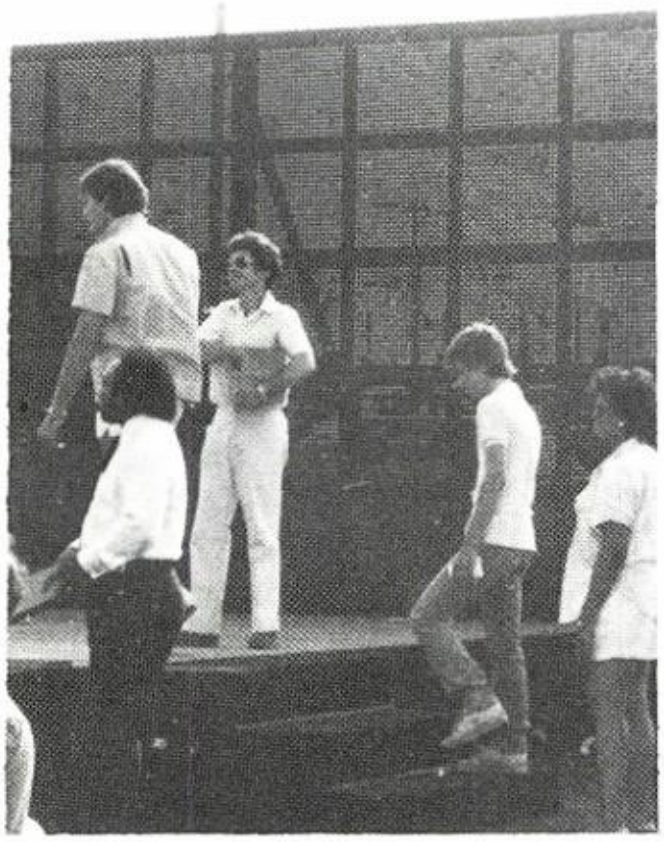


HEADS UP-Kevin Krueger hits the ball to his opponents hoping t make a point for his team.



LISTENING INTENSIVELY-Seniors pay close attention as Mrs. Sylvia McBrayer runs through the graduation ceremony schedule.

The Leaders-Kelly Wilkerson, Greg Hales, Don Martin, and David Sedlacek take a break before the graduation practice line up begins.



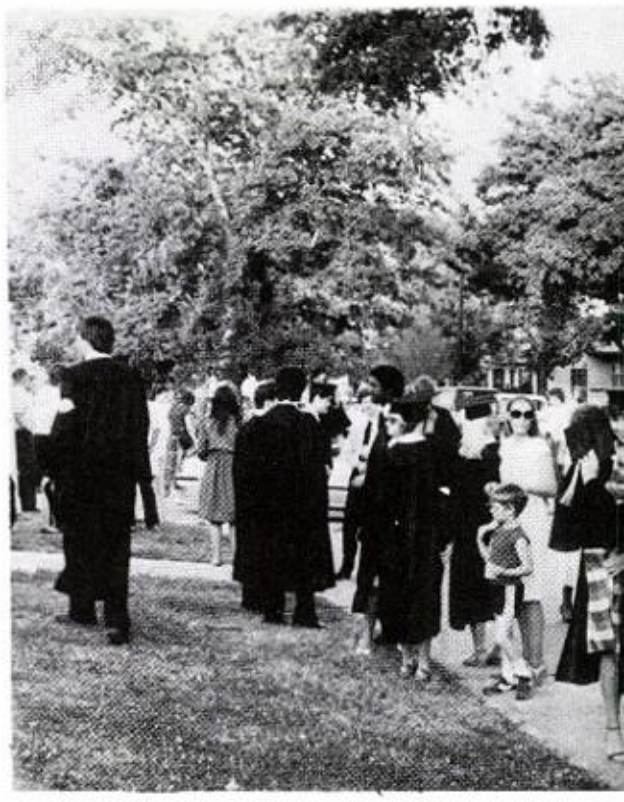
NEXT!-Mr. Bob Swift and Mr. Bill Parker keep the graduation practice moving smoothly.

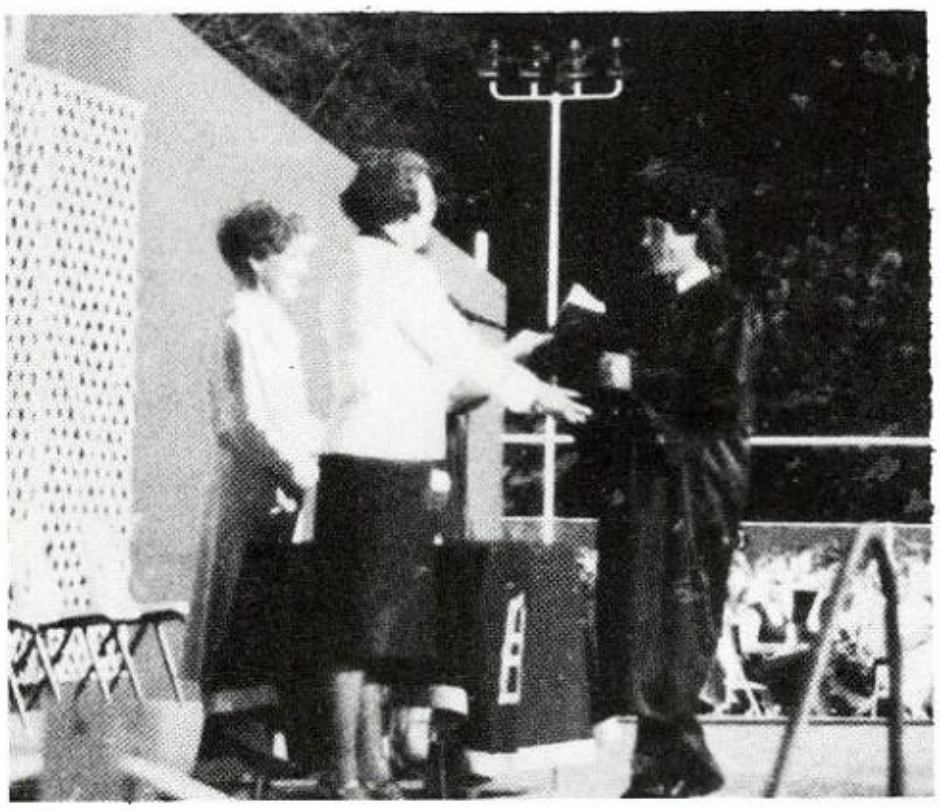
CAN WE LEAVE NOW?-Seniors anxiously await the practice to be over so they can get started with senior day.

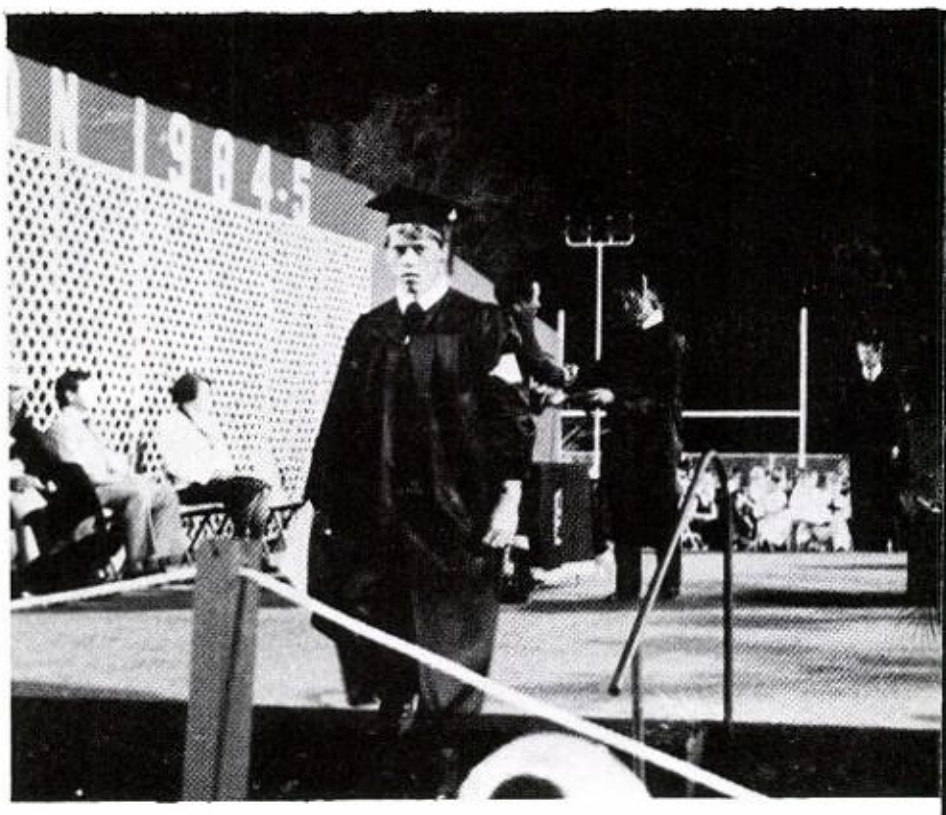
By Valerie Griffith

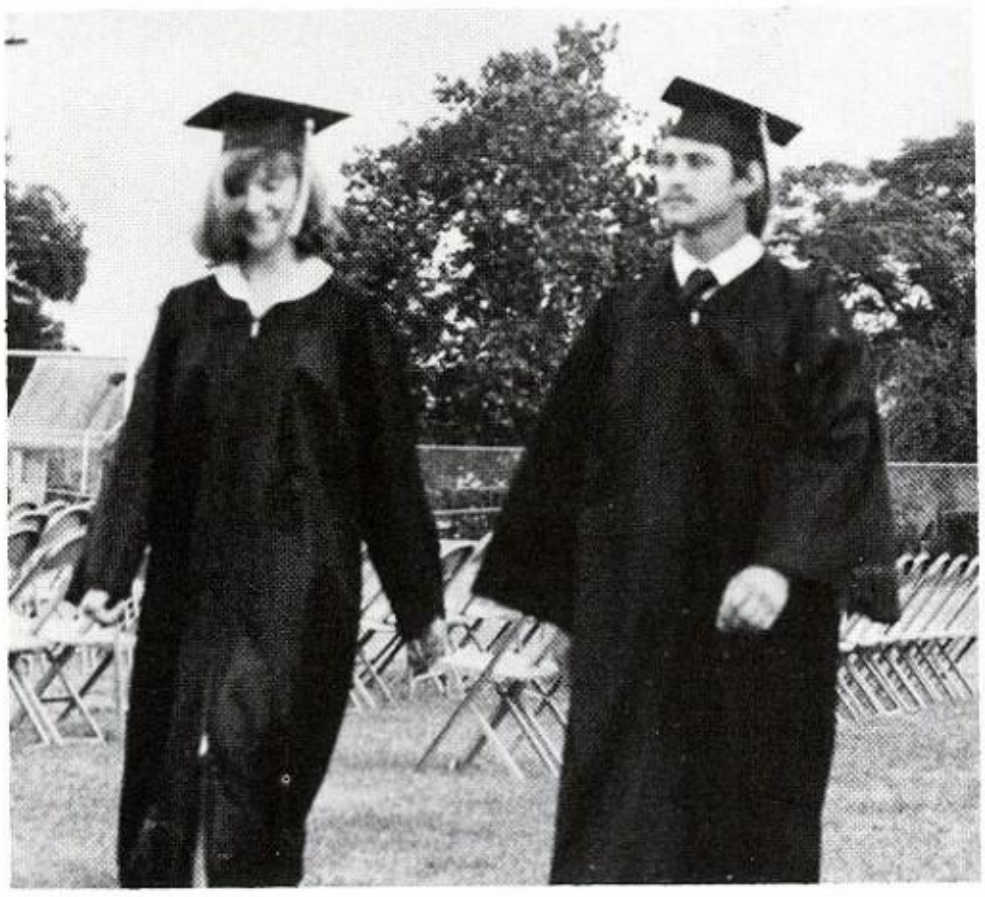
It's that time once again--late spring--when seniors across the nation prepare for their future. They renew old friendships, become better acquainted with fellow classmen, get involved in extra curricular activities, doing the things they've always wanted to do, cherishing each moment and finally, are struck with the disastrous plague called senioritis. Symptoms are laziness in school work, sleeping in and skipping classes. We all have enjoyed our last days of fun, some friendships and schoolwork--well finishing it, at least.

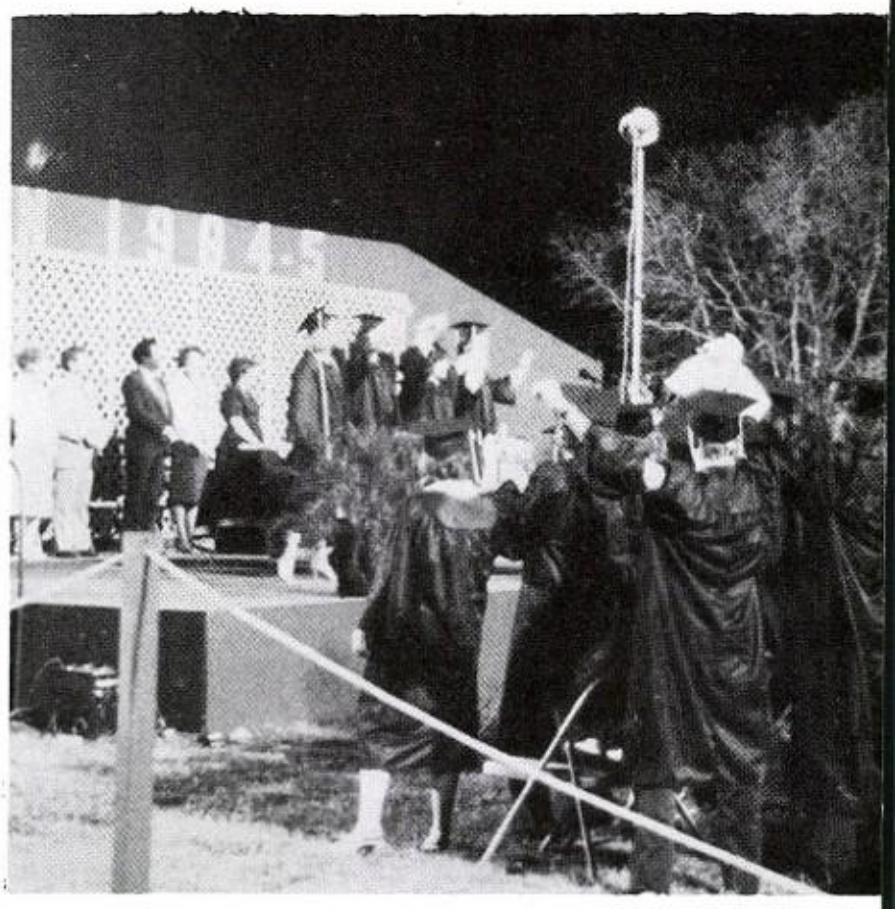
This senior year commenced with a state football championship and continued to be the YEAR OF CHAMPIONS and ended with the graduation of the Class of '85. It saw able leaders, unique personalities, super athletes, talented achievers, ambitious thinkers and, most of all, those who hold the future. Good luck to all graduates of '85.

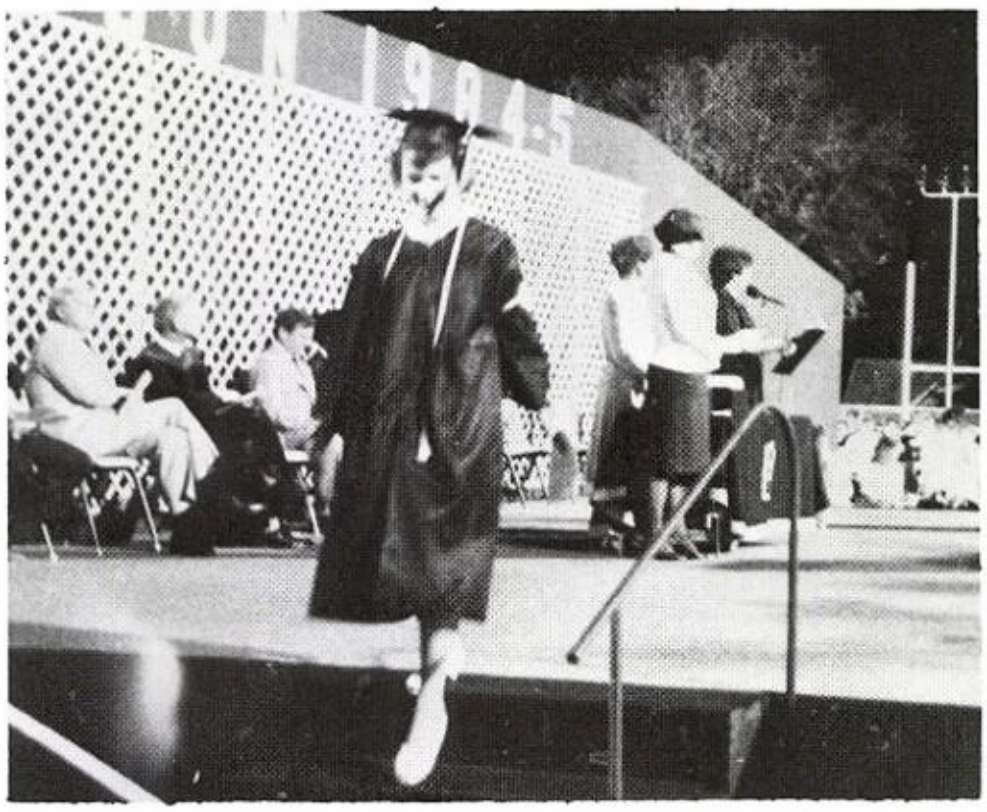


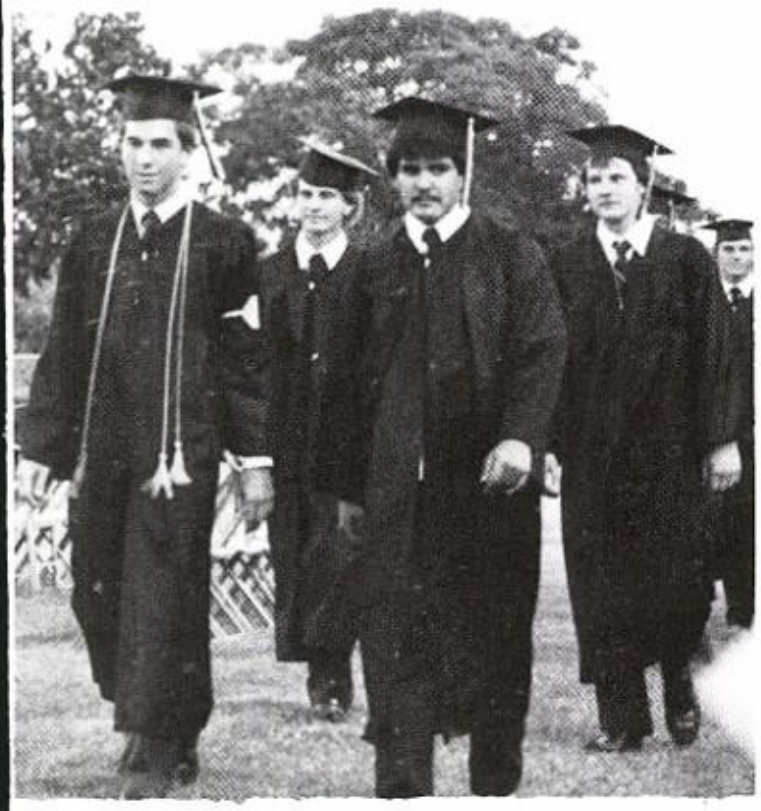


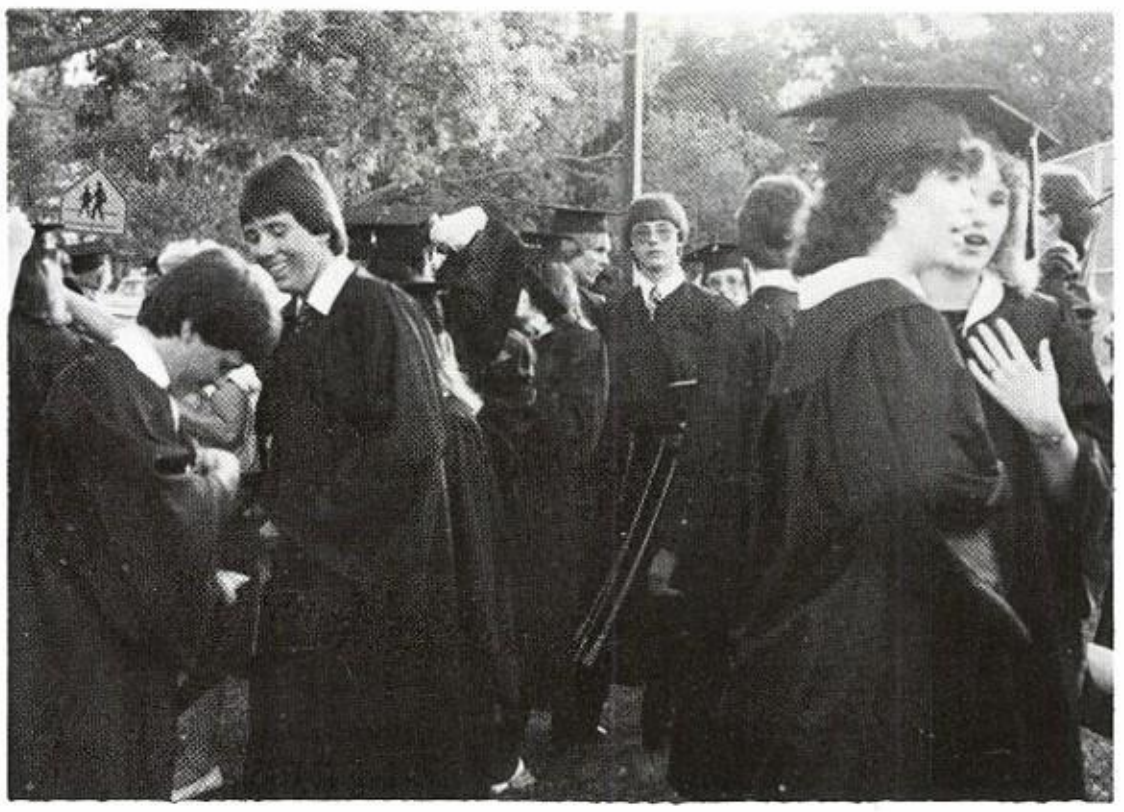


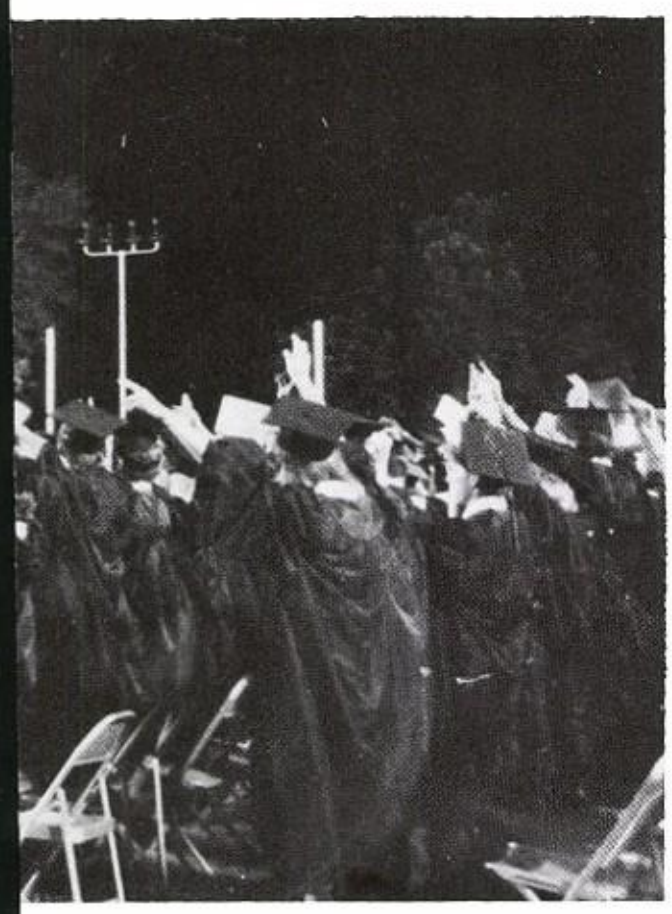


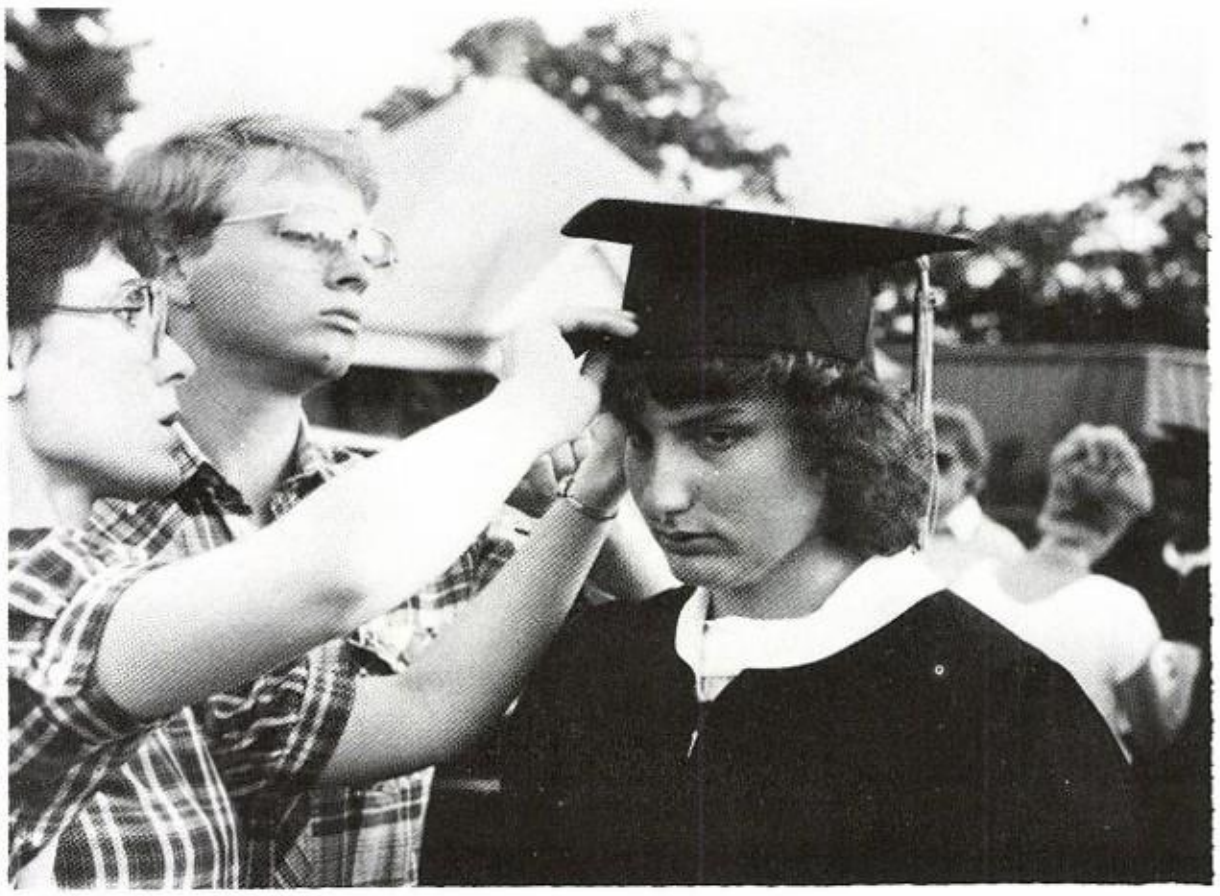


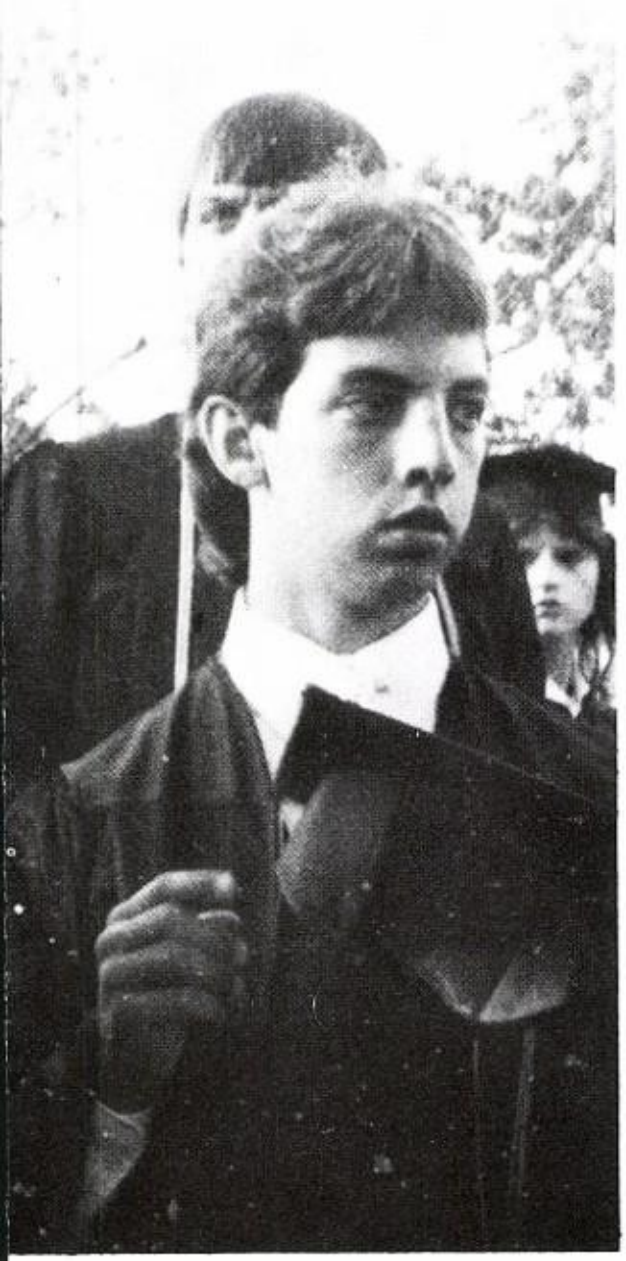


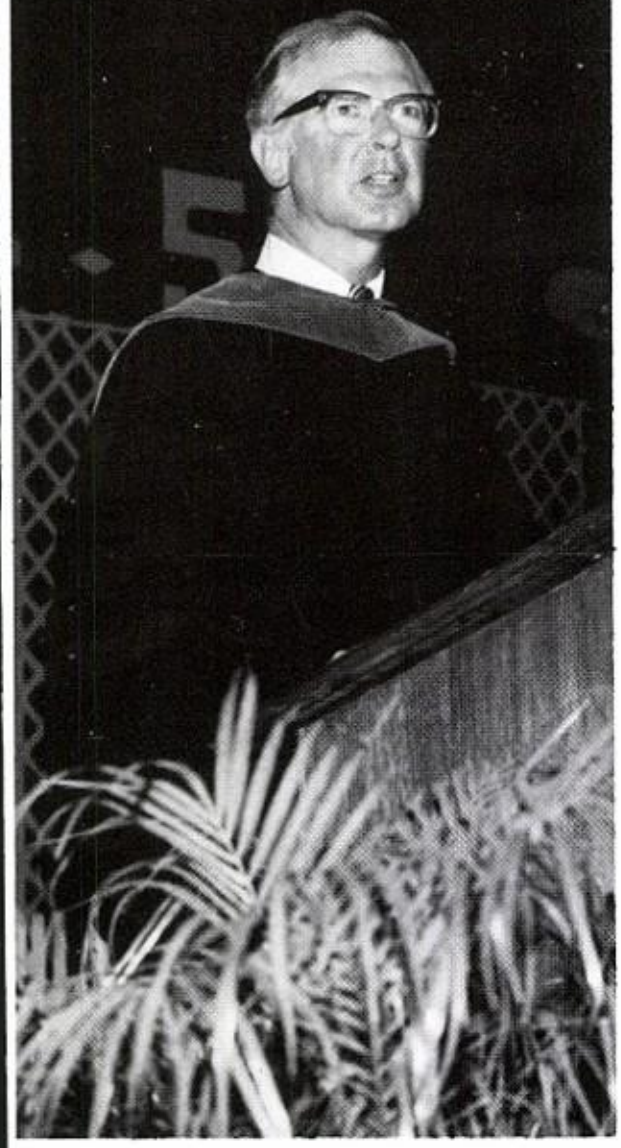


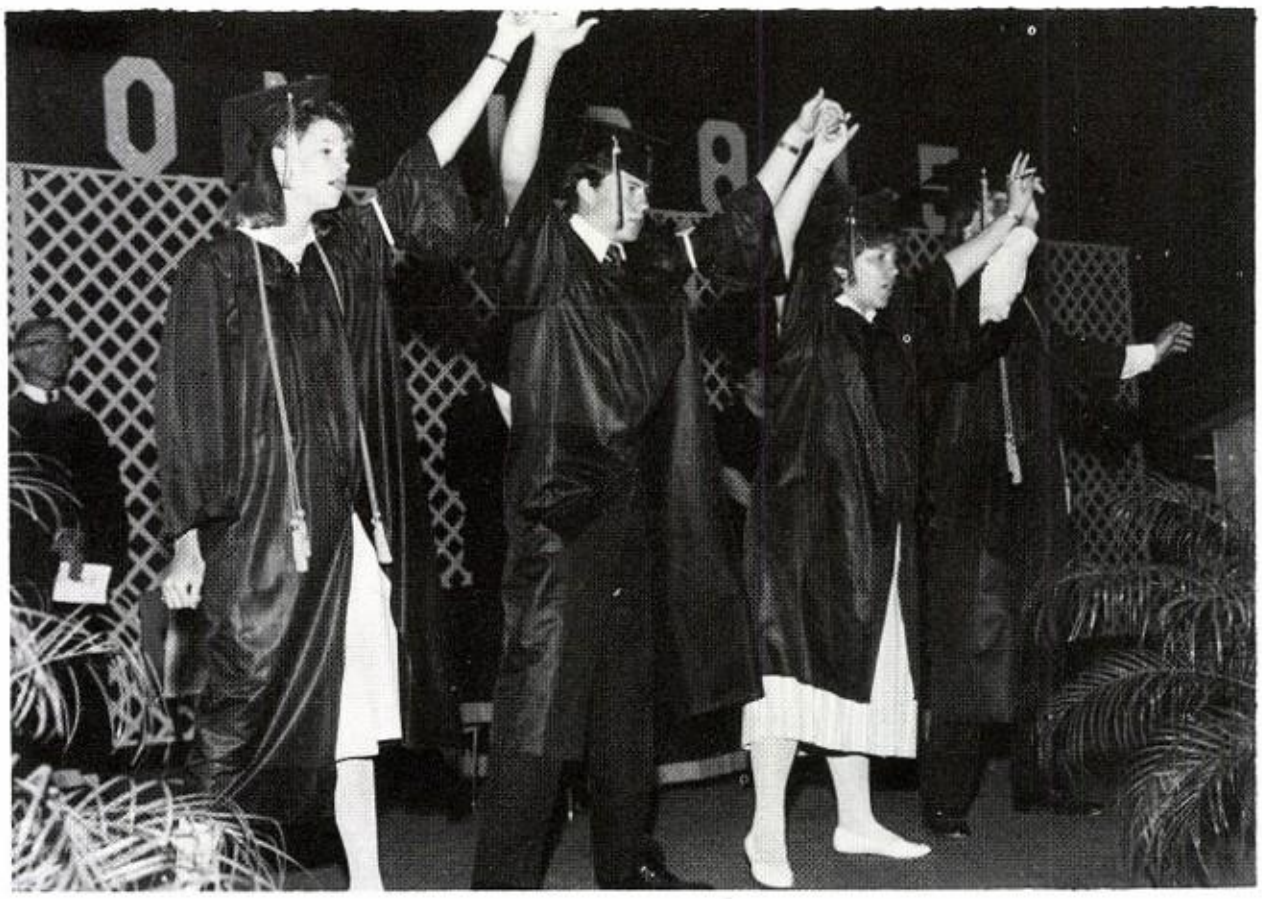


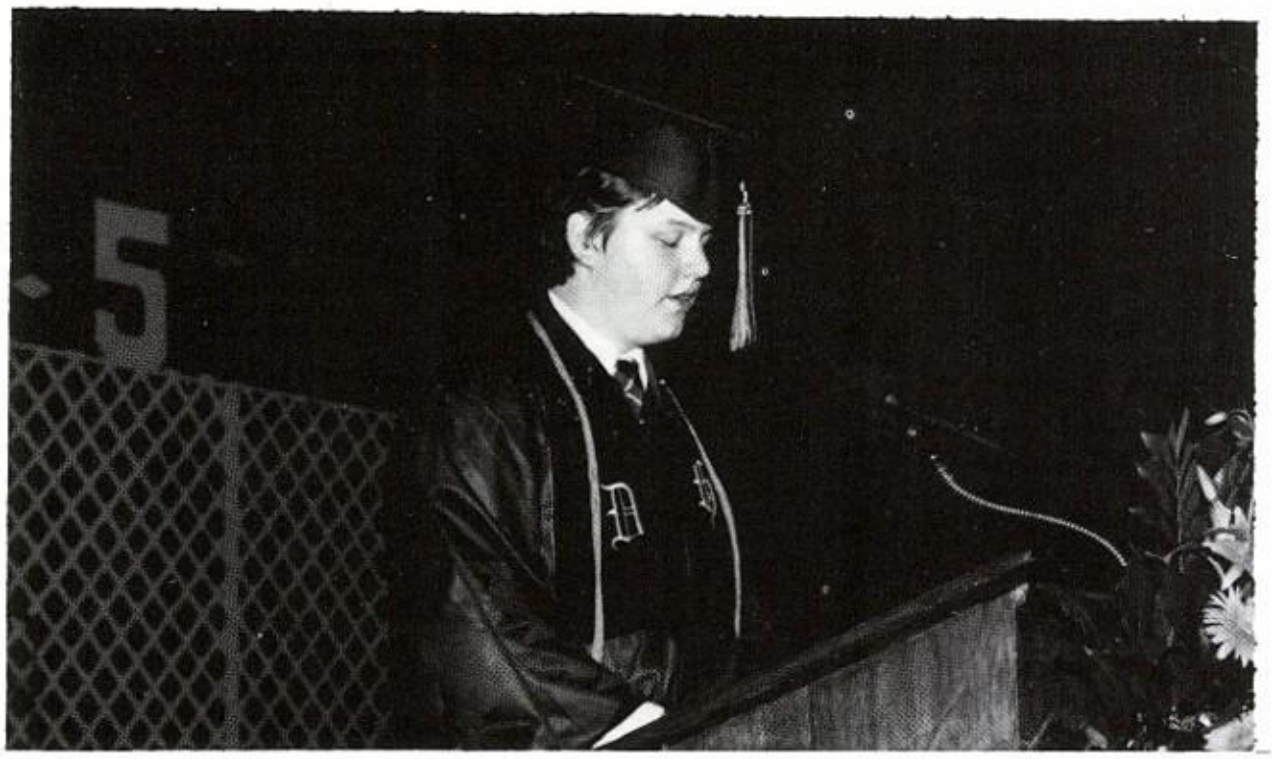


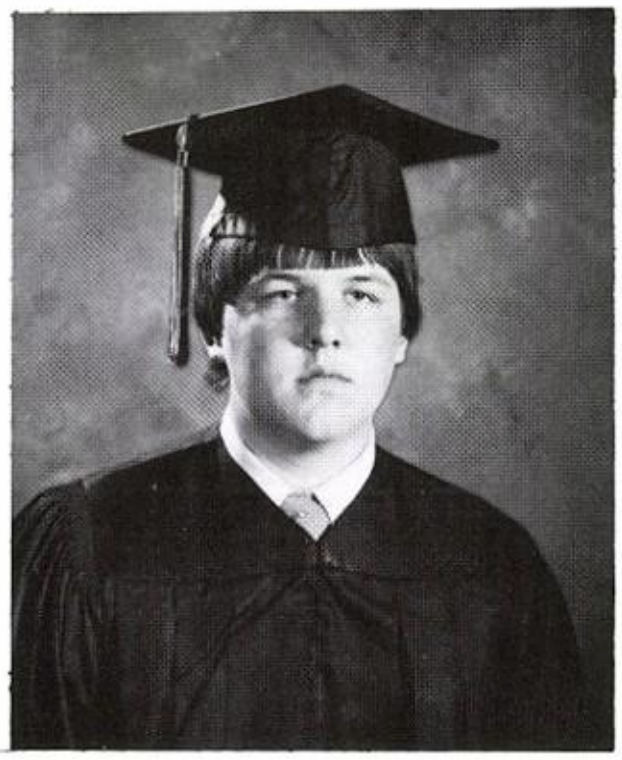












Graduation is symbol of success

Tonight's graduation is a symbol of our success. The culmination of twelve years of work and achievement is occuring tonight, and all of us are experiencing great happiness for this victory in our lives. But this has not been the only time of success in our lives, nor will this be the last. We will attain many more accomplishments in the future.

Our future achievements will be based on the goals we set today. We each have various aims in life: we may want a secure and well-paying job, we may have plans for marriage and for a family, or perhaps we just wish to have fellowship with our friends. Everything we dream of becomes an object for future accomplishment. But what is our ultimate goal? It seems to me to be happiness. The great English poet Alfred Tennyson wrote about a hero who searched for contentment, and his wish was "To strive, to seek, to find, and not to yield." He searched for happiness by searching for success.

However, success does not always produce lasting happiness. Many times we reach a plateau of achievement, and then find that our enjoyment of that plateau fades away after a time, or else that our expected fulfillment never arrives. Tennyson realized this. After he had written of his striving success, he wrote: "Our little systems have their day: they have their day and cease to be." His statement stresses the fact that our successes never last.

If this success does not bring lasting happiness, what does? When we have accomplishments, we expect to find fulfillment; if we don't find true happiness, then we must not have reached true success. So what is true success? My idea of true success is the development of character. Those who develop a true character can develop a lasting contentment in life. Anne Morrow Lindbergh, wife of the late Charles Lindbergh, explained her picture of security thus: "I want, first of all . . . to be at peace with myself. I want a singleness of eye, a purity of intention, a central core to my life, that will enable me to carry out these obligations and activities as well as I can."

If character is the embodiment of success, then how do we develop true character? Many different views exist on how this is achieved, yet I think there is only one way to achieve true character. I believe character is the result of God's work in our lives. By His grace, we can achieve true character, true success, and true happiness, which I call joy. For happiness is only an emotion--it's subject to change without notice. Joy is an attitude--it endures through the good time and the bad.

In the Bible, the Apostle James says to "Consider it pure joy, dear brothers, whenever you have trials of many kinds, because you know that the testing of your perserverance develops faith." He says joy is possible in times of trouble. I know it is, because Jesus Christ promised to be on my side, and He promised to join your side too, if you would only ask Him.

David Sedlacek, Valedictorian

Martin praises champions

Dr. Jacobs, Mrs. Peters, Members of the Board, faculty, graduates, family, friends and guests: I welcome you to the commencement of the 1985 Denison High School graduating class.

For 12 years, we, the graduates, have endured the test of education. We have read numerous books, increased our vocabularies, and sharpened our reasoning skills. We have learned how to spell, how to construct sentences and how to write papers. We have studied biology and chemistry and familiarized ourselves with scientific theories. We have been taught algebra, geometry and mathematical principles. We have been instructed in both American and World history. We have been shown the workings of our democratic government and our capitalistic economic system. We were required to take some form of physical education. We have been taught occupational skills. Some of us have participated in an athletic program. Others have been active in band, flag corps and drill. We have "gotten excited" in Student Council and reached the STARS with the National Honor Society. We have been involved with scholastic teams such as debate, drama, math and science. Many have been active with vocational programs. We have worked. We have toiled. We have struggled, but We Have Finished.

We have not only completed our courses of study, but have done it as champions. Denison High School has never had a year like 1985. In spite of new laws concerning school activities, we have excelled in all areas: academic, athletic and extra-curricular. We have, for the first time ever, won a district championship in the UIL literary meet. We did this with winners in one-act play, debate, number sense, science, journalism, poetry, spelling, shorthand and typing. In addition, we had individuals competing at the state level in debate and news writing. Denison High School has, for the first time in a while, a National Merit Scholar, David Sedlacek. In athletics, we will never forget our accomplishments. A state championship in football, a district win in baseball, girls track, tennis and junior varsity basketball, and numerous individual winners in all sports are all high points to be proud of. Our school's vocational programs also have had their share of victories with winners in Distributive Education, Health Occupations, Industrial Co-op Training, Office Education Association, Cosmetology, Vocational Office Education and Home Economics Related Occupations. The Golden Band from Jacketland, flag corps, Stingerettes and cheerleaders have brought to our school more dignity with impressive wins. Student participation has reached a peak with organizations such as National Honor Society and the Student Council keeping busy all year long. 1985 was not "the chance to be champions", it was the Year of Champions.

We can compare our 12 years of strife with a quote from "Ode to the West Wind" by Percy Byssshe Shelley:

O Wind, If Winter comes, can Spring be far behind?

The Winter has been our 12 year trial. We are the Wind. And the Spring is our next endeavor. Our Spring begins tonight. For some of us, it means continued education in college. For others, it means the selection of a profession. But for all of us, it represents an achievement. We should take pride in ourselves for the determination, endurance, and fortitude that has brought us through our Winter as champions and is taking us into our Spring.

New rules add twist

Academics this year took on a new twist with the new rules and regulations imposed by the state and local education boards. Even though there were many changes, much stayed the same. Everyone shared in the good times and got involved in class discussions. Good attention and homework were still as important as ever. First hand experience enhanced learning.

Friends made school more fun and interesting, and everyone could take advantage of getting a good education and enjoy doing it, too.

Science students experiment

By Sandra Walker

Experimentation is an important part of learning in any class. This is especially true in the Physical Science classes-Physical Science, Chemistry, and Physics.

Physical Science is an introduction to the theories and principles of chemistry and physics. The chemistry and physics students learn more detailed information on the material breeched in Physical Science.

Experimentation allows the students to better understand what they're learning, as it is easier to understand what can be seen and felt rather than just seeing figures on paper.

INSTRUCTING-Mr. James Rowland instructs his physical science class on the proper procedures.

ASSEMBLY LINE-Bart Stevenson and Derrick Cameron assemble a powerful telescope which was donated to the science department through the Denison Education Fund.

CALCULATING-Rondie Peterson uses the ever-handy calculator to help with computations.

Vo Ed students learn job skills

In vocational classes, such as cosmetology, ICT, VOE, metal trades, and drafting, students learn skills in class that they will use on the job. ICT classes took a field trip to the Denison Herald to learn about newspaper production.

Distributive education and marketing, health occupations, and office education lab classes prepare students for the co-op programs where they are employed part of the school year.

For the fourth consecutive year, second year Spanish students attended a bi-lingual production of "Don Quixote," in Fort Worth.

The play was produced by the National Theater of Performing Arts March 6. Scenes were presented in English and then replayed in Spanish. The tickets for the play were purchased by the Denison Performing Arts, a non-profit group which provides cultural experiences for the community.

The students toured the Kimball Musuem, concentrating on the Spanish artists Goya, Velasquez, Murillo, Ribera, Picasso, El Greco, and Miro.

"The reason we do this year after year is because I feel that students need to see the language in use and partially as a reward for second year students," said Mrs. Sue Finley.

The best part of the trip, as depicted in the photos, was the Mexican lunch at Casa Bonita!

Pickle Award is BIG DILL

Craig Talley, sophomore, is one person who won a pickle award for answering a question no one else could answer.

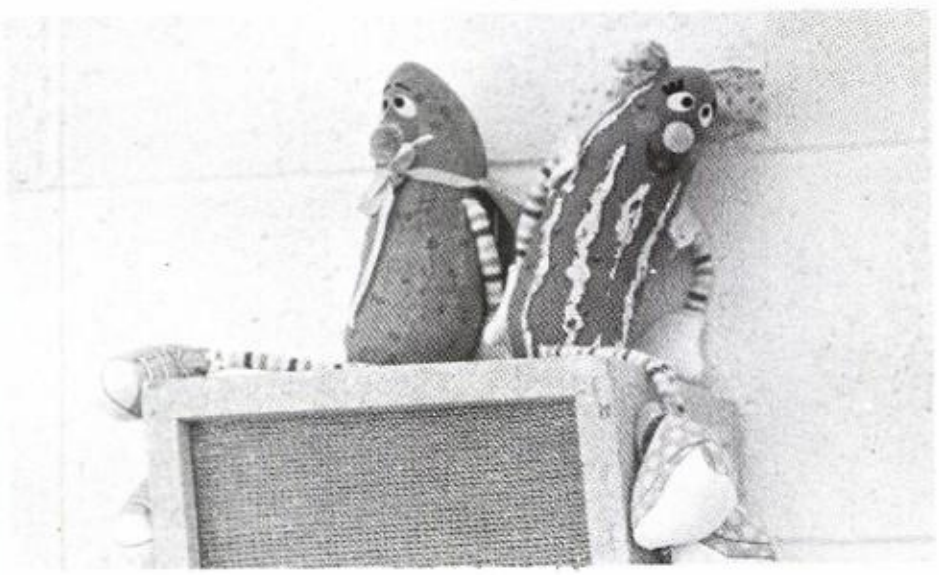
He calls receiving the award "The most exciting thing that ever happened to me".

Students look forward to achieving these pickles. They don't feel they are silly; they take it seriously.

"The State Fair sells a similar pickle, but it is not the prestigious wonder pickle," Mrs Terry said.

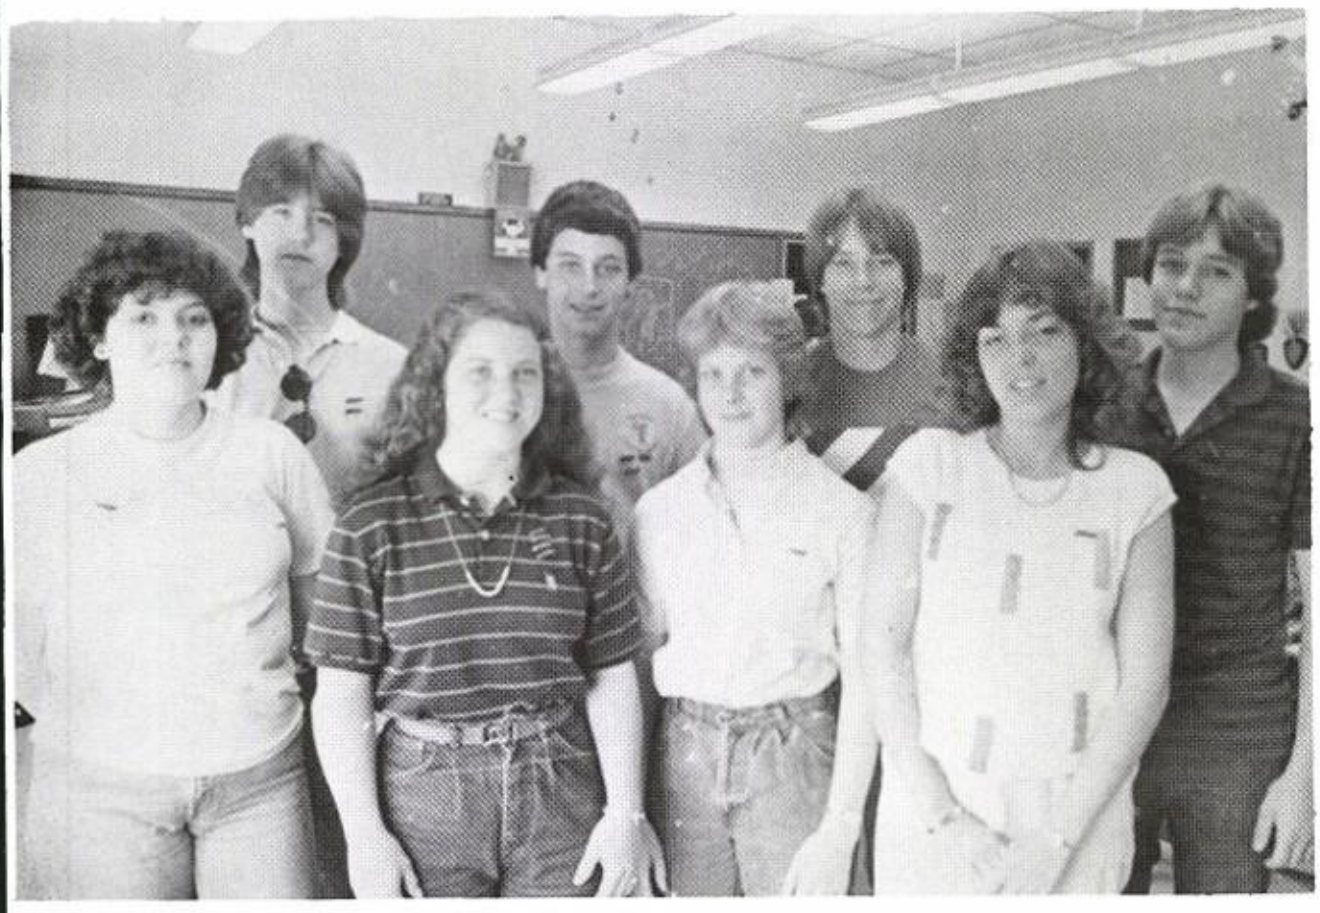
"It's a big dill," said English teacher Mrs. Nancy Terry, referring to a small green plastic pin shaped like a pickle.

The pickle award has been given by Mrs. Terry for the last five years to the top boy and girl in each class, each six weeks, to students who do extra work and to students who answer difficult questions in class.



Some of the extra work consists of answering difficult questions that no one can find the answer to. Mrs. Terry hoped that the pickle would make students strive to answer harder questions.

"Getting a pickle is almost as good as being valedictorian. When I give a pickle, I expect it to be worn on letter jackets or braided into hair. They're just a "dill-light," Mrs. Terry said.



In addition to pickles, each of Mrs. Terry's students receives one green pickle card as a birthday gift. The cards may be used once for one free daily grade, which must be approved by Mrs. Terry.

FTA teaches at schools

By Cindy Birdsong

Every year, the members of the Future Teachers of America have a selling project which enables them to teach at the elementary schools in the spring.

This year, FTA sold Bunnygrams which are messages written by students to each other and are distributed the week before Easter.

FTA made $125 this year which goes toward a scholarship given to one of the members who plans on going into the field of education.

The student teaching project is a cooperative program with elementary school teachers which permits FTA members to assist in instruction and preparation of materials for the children.

Clowning Around-Paul Bardwell, Christi Holder, and Michael Beeson joke around.

"J.B." cast: all are winners

"J.B.", a play by Archibald MacLeish, was presented by the drama department as their University Interscholastic League competition play.

The cast faced tough opposition at the district and area levels and made an impressive showing. They received more individual honors than any of the other schools in the contest.

The play was the biblical story of Job in present times. Job was the highest man in the land and God put his faith to the test.

Greg Hales played the part of J.B. Dean Lindsey and Duane Martin played the parts of Zeus and Nichols, respectively.

The rest of the cast members were Cassandra McBrayer as Sarah; Paul Bardwell, Michael Beeson and Christi Holder were the devil's advocates; and Tammy Moreno, Tracey Smith and Jane Ann Thomason were the "comforters".

New principal issues challenge

The first woman hired as high school principal prepared for the school year amid dust and construction debris as the airconditioning project neared completion. Mrs. Jackie Peters assumed the head job after five years as assistant principal and an interim term as an elementary principal.

Her challenge to the faculty and staff was to take advantage of this "Chance to be Champions!"

Under positive leadership and with support from the three principals, the faculty and students implemented new state mandated rules and developed curriculum, complete with essential elements.

The community rewarded hard work on the part of the school board and school staff with approval of a bond issue to relieve crowded conditions at the high school and middle school, and to move all support facilities to the former Peabody campus.

For the school and the community, '84-'85 was truly a "Championship Season".

The Year of Champions 16-0

The 1984 Yellow Jacket Football Season was very unexpected. The Denison Yellow Jackets, picked to finish second to last in district, surprised the coaches, the students, the faculty, the fans, and the... well, the whole state of Texas. They not only won the first district title the school has had in sixteen years, but also, as underdogs in every game, went on to compete for the State Championship!!! Erasing all doubts about their capabilities, they defeated the Tomball Cougars and won the 1984 class 4-A State Title. Lead by head coach Marty Criswell, the Jackets experienced a perfect season, never tasting defeat, with a record of 16 wins, a first in Texas play-off history.

Picked to lose game after game, the proud Yellow Jackets held their heads high, and proved themselves Champions. The Denison fans' support of the team was never-ending. They caravaned to each game, attended every pep rally and parade, and decorated their stores and houses with shoe polish, yellow ribbons, and the champions' colors, black and gold. The school spirit and unity climaxed this season as students sported Yellow Jacket sweats and "champ" t-shirts. They bought bumper stickers, polished their cars, sparked each pep rally with excitement, and cheered their Jackets to victory at all sixteen games. The season was filled with congratulations, hugs, and tears of joy!

The State Championship was quoted by many Denisonians to be their Christmas wish. Well, thanks to a dedicated coaching staff; proud, faithful fans; the unified student body; and of course, a tremendously talented family of young men: Denison got it's wish. Congratulations to the 1984 Yellow Jacket State Champion Football Team, Coach Marty Criswell and his staff, the students of Denison High School, and the city of Denison. The State of Texas is now Yellow Jacket Territory!

The Jackets' first win was also the only game in which they fell behind by more than one touchdown. Two aggressive plays were a 24-yard pass by Erick Harper to James Cobb on a 3rd-and-14 play and a fake on a punt. On the fake, Tony Plauche threw a perfect pass to end Fred Washington, who was guarded by three defenders. The defense held the Lions to -9 yards and two first downs.

I DID IT! Tony Plauche runs in for a touchdown.

23-6

The Axe is back! After a strong running game, the Jackets ended victoriously with 226 yards while the defense stopped Sherman's Alvin Jones. Harper and Plauche had a total of 3 passes of 14 for 18 yards. In the first quarter, the Jackets backed Sherman to the Bearcat five, forced a punt, and took over on their 33 after a 9-yard punt return by DeHorney. Five plays later, Tony Brown went 15 yards for a touchdown, carrying two tacklers into the endzone.

The Jackets began to move the ball after a scoreless half. Ray Taylor ended with two trips to the endzone and 119 yards. Plauche set up both scores with big completions to DeHorney. Raymond Hall's interception led to a Denison touchdown. The offense had 238 yards and the defense held Hirschi to 39 yards, all on the ground.

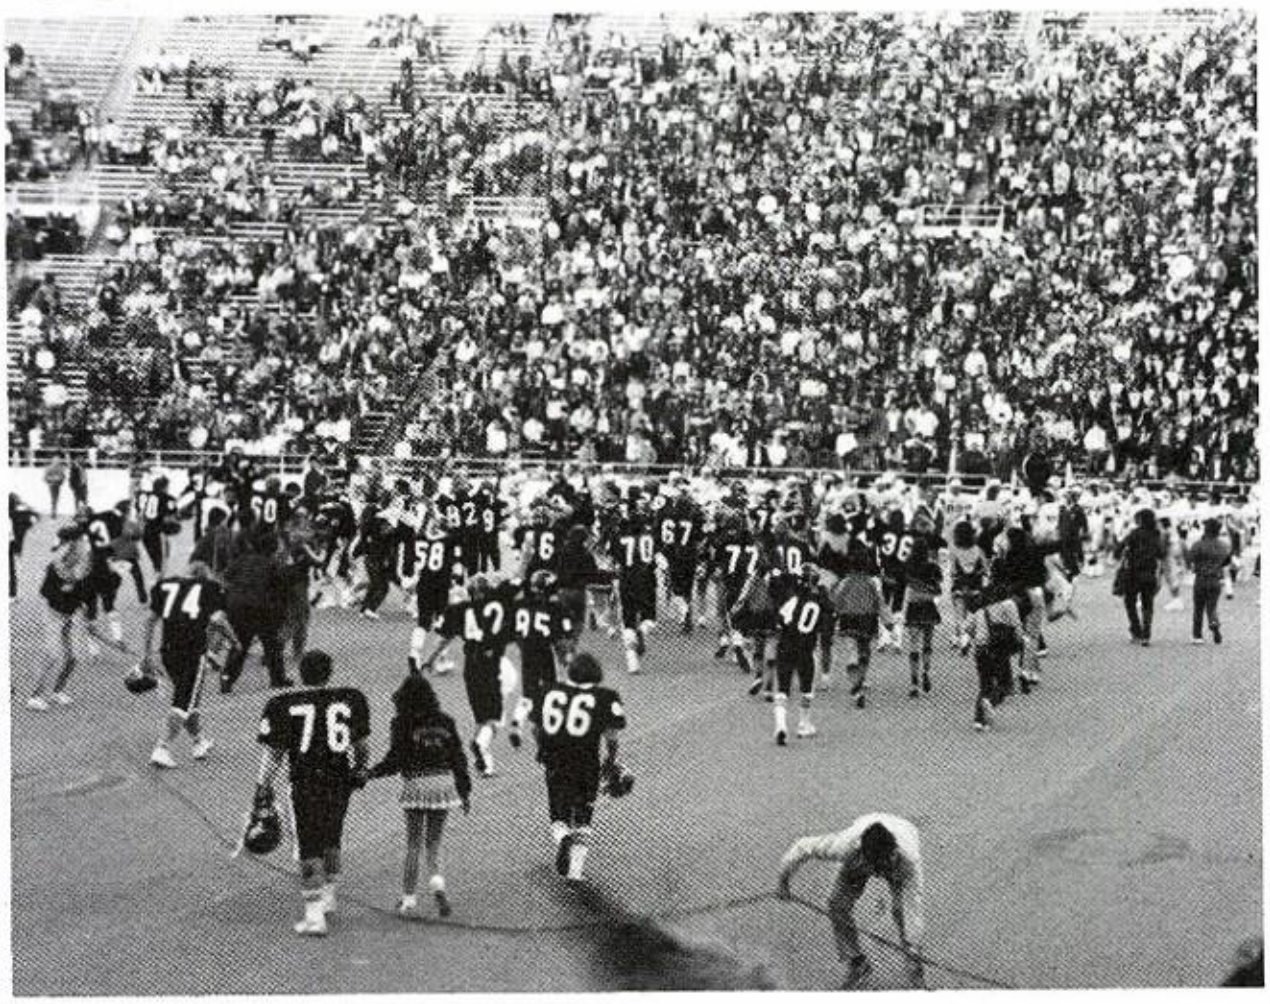
Durant
14-7

The combination of tight end Fred Washington and quarterback Erick Harper gave Denison the momentum to defeat the well-prepared Lions. In the second quarter Harper faked a handoff to Taylor, and hit Washington 20 yards down the field, who ran 46 yards to the endzone.

Earlier, the Lion offense had gone 63 yards in 20 plays to score. James Cobb recovered a Durant fumble on the Denison 30, and the Jackets drove 75 yards for the winning touchdown.



WE ARE THE CHAMPIONS-The State Champs are congratulated.

IT'S GREAT TO BE A JACKET Ray Taylor nears the endzone.

12-7

The passing game came through for the Jackets after their running game failed against the Wildcats. The only running play that worked was a wingback reverse to Raymond Wilson. He ran it four times for 49 yards and a 31-yard touchdown run. Harper hit six of 11 passes for 104 yards. DeHorney caught a 37-yard pass thrown above his head to set up a touchdown. The Jackets clinched the victory in the final minute of play as Cobb intercepted a pass.

The Jackets had their most impressive game thus far in the season, defeating the Lions, who were a major class 4-A power. Putting together a complete game for the first time, the Jackets gained 450 yards and 42 points.

Ray Taylor led the team with 161 yards rushing and two touchdowns, as Eric Harper hit seven of ten passes for 149 yards.

The slight victory over the Eagles could have been the Jackets' first loss. They were behind during the second half for the only time this season.

The Jackets scored on their first three possessions, but turnovers on the kicking game kept the ball away.

The Jackets fumbled four times and had 95 yards in penalties.

48-12

The Jackets got to play their first play-off game at home, and the full house watched as Ray Taylor had his best game of the season with 221 yards in 25 carries.

A big factor in the game was the loss of the Eagle quarterback due to a concussion. The defense gave up 320 yards to the Eagles, but made big plays to keep them from scoring. Elmar Perry had an interception and recovered a fumble. James Cobb had his sixth interception of the season. Tony Brown had 92 yards rushing and three touchdowns. Erick Harper hit DeHorney for a 48-yard touchdown, and ran in on a bootleg, also. Taylor had a 41-yard scoring run, and Wilson scored on a 12-yard wingback reverse.

SET-HIT! Jackets get a quick start on a handoff.

Carthage
10-0

The Denison offense had its worst game, only gaining 92 total yards. The defense held the Carthage offense to 144 yards and caused five turnovers. Erick Harper scored all of the Jacket's points with a touchdown, the extra point, and a 32-yard field goal. Taylor was held to 47 yards on 22 carries. Erick had one pass, 37 yards to Leslie DeHorney. James Cobb and Aaron Jackson had interceptions. The touchdown came with 5:07 left in the game. Harper couldn't get ready for a field goal, so the Jackets called a time out. Coach Criswell decided to go for a touchdown. With a good block from Taylor, Erick rolled left, went four yards, and dove into the end zone, right in front of three Bulldogs. The Jackets shut-out the Bulldogs, and earned a spot in the area play-offs.

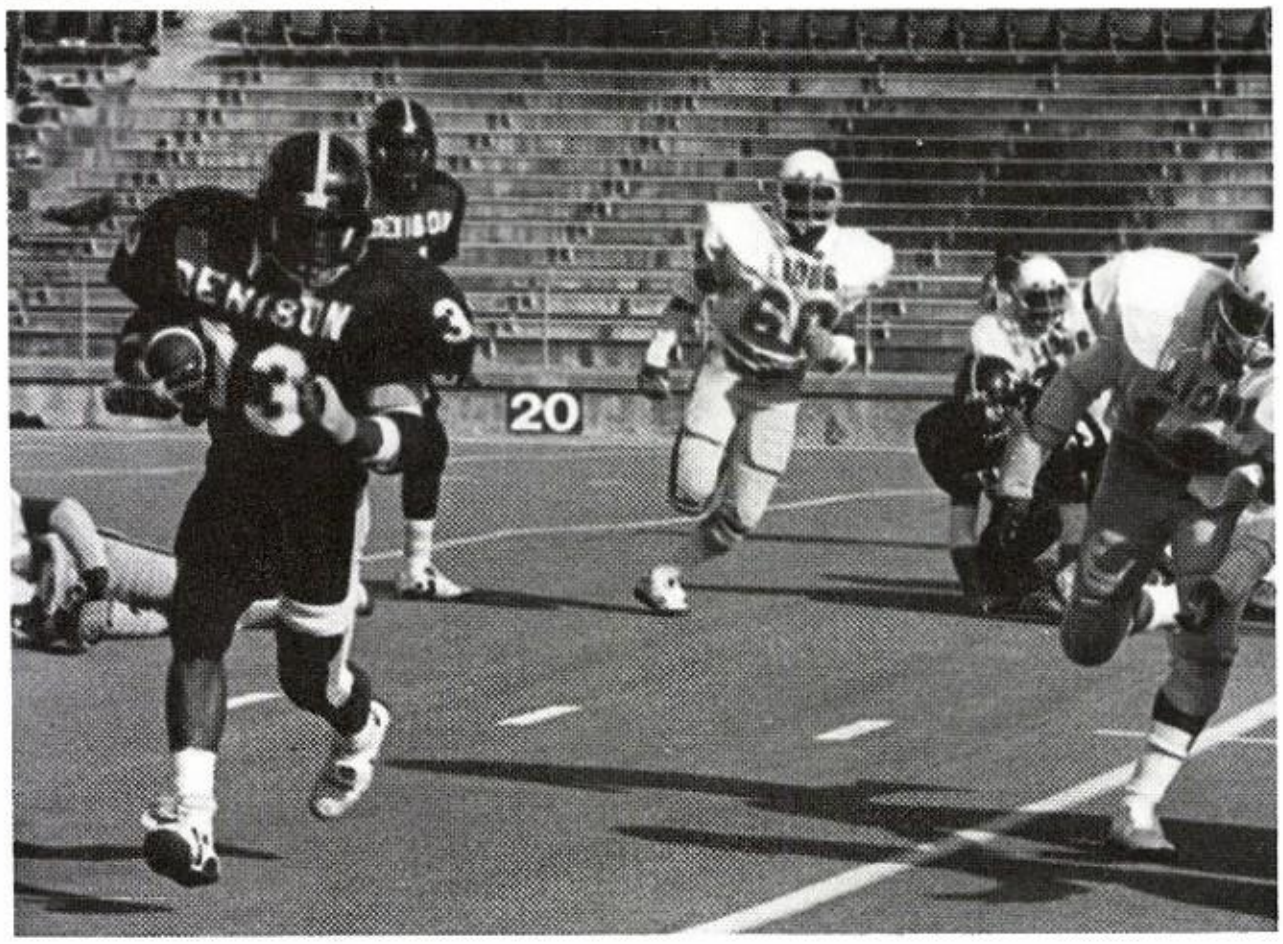
Waco Jeff-Moore
21-7

A strong performance by the Jacket defense was the key to this win over Waco. An 80-yard touchdown run by Raymond Wilson along with two others from bad snaps were all the scores they needed. The Lions were held to 118 yards rushing with the longest run totaling only 11 yards. Ray Taylor had 98 yards on 22 attempts. Erick was injured and Tony Plauche finished the game.

Corsicana
49-21

The toughest game of the season was sparked by a 93-yard punt return by Leslie DeHorney, which came late in the first quarter after a 91-yard drive by the Tigers. Aaron Jackson caught a pass to get the ball for Denison. A bad interference call in the second half set up a Tiger score. A major factor in the game was the injury of Bill Jones, Corsicana's best tailback. He left the game early, after a defensive play against Erick Harper.



ON OUR WAY-The Lions couldn't stop Ray Taylor at Mesquite.

PARDON ME-Bill Jones (33) had no idea of what came next.

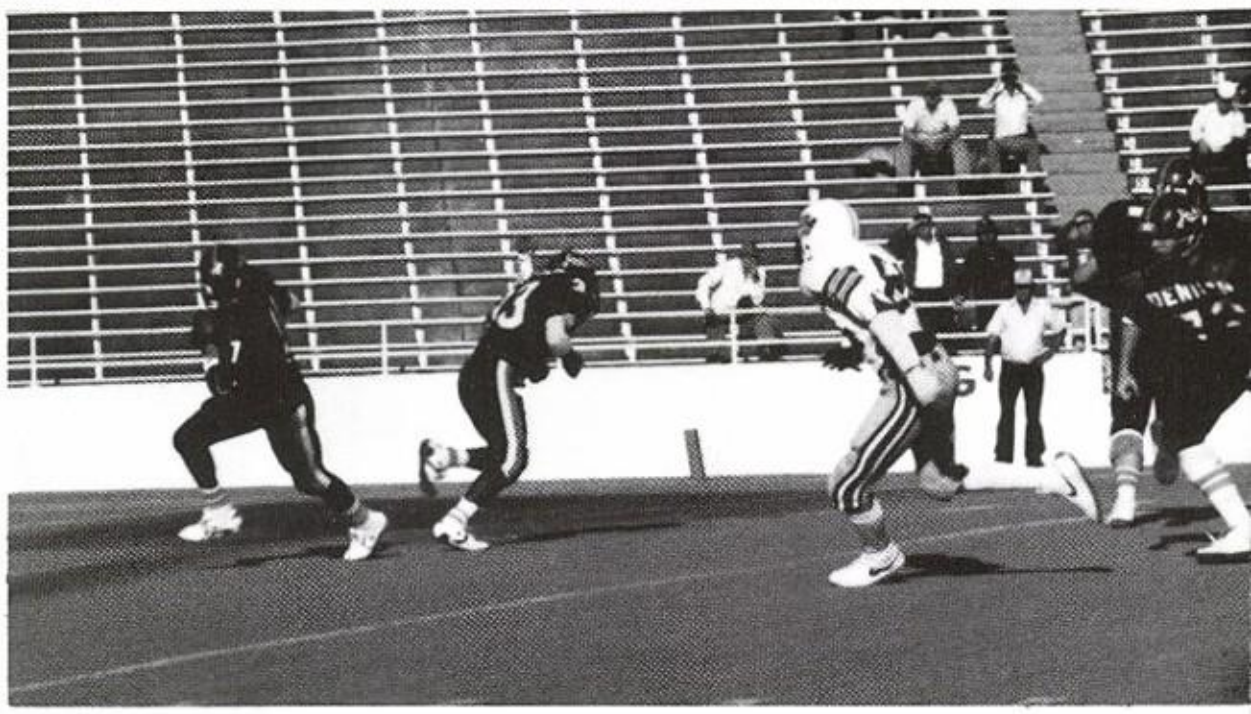
31-7

Averaging 402 yards per game, the Mustangs were held to 177 yards by the Jackets. The defense forced turnovers to set up touchdowns. They shut down their high scoring wishbone. Two touchdowns were set up by a fumble recovery by James Cobb and an interception by Aaron Jackson.



GO RAY! Ray Taylor nearly attained 2,000 yards this season.

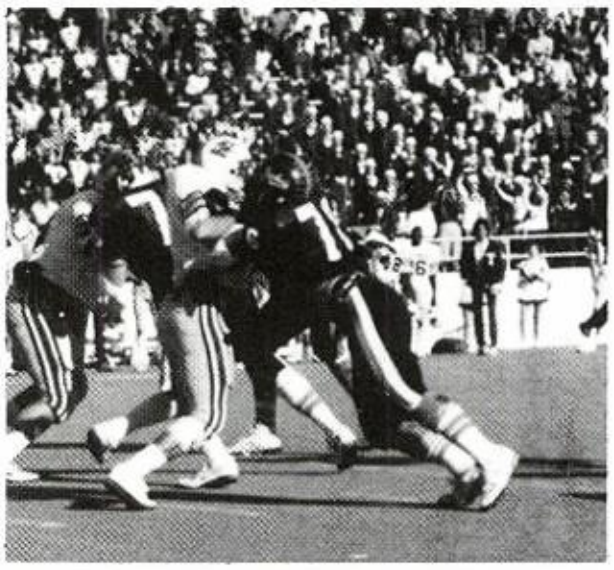
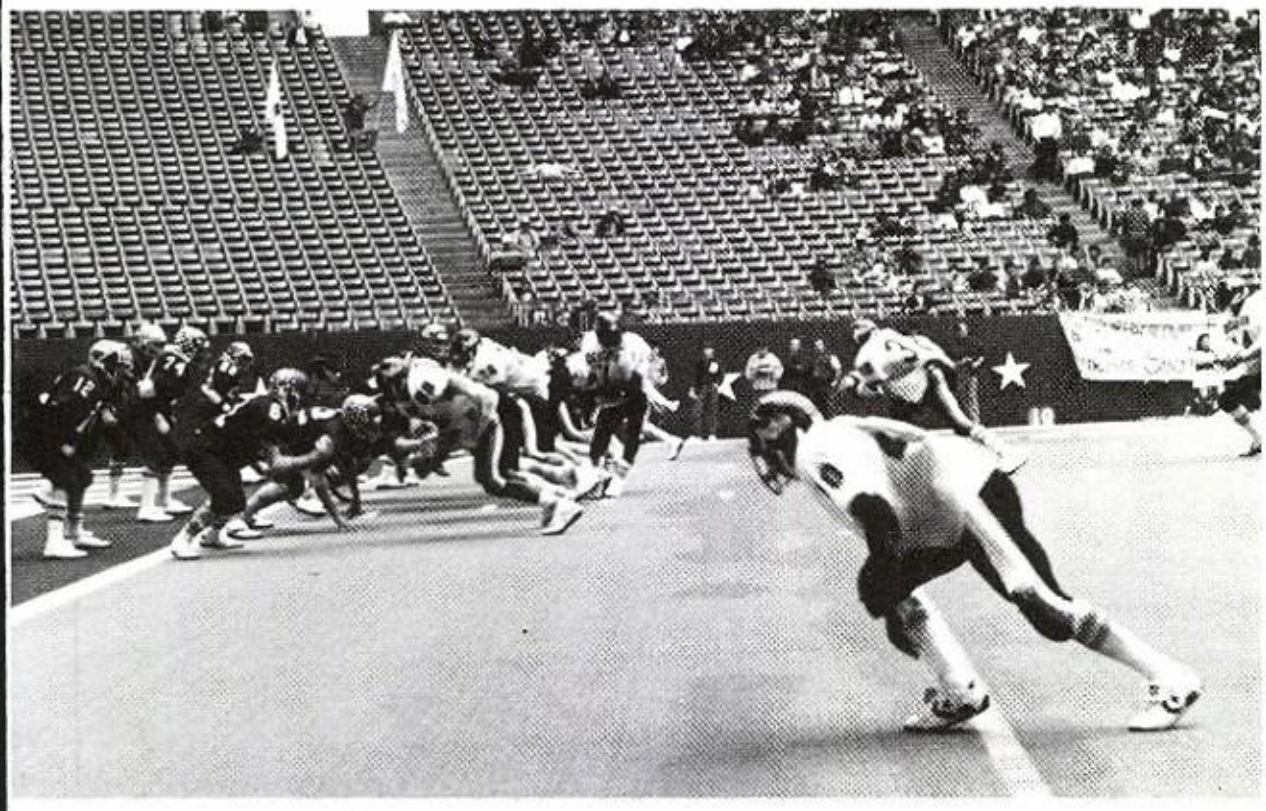
Tomball
27-13

The Jackets won the state class 4-A title when they defeated the Tomball Cougars. Tomball, from the beginning of the game, showed their lack of respect for the Jacets. They won the coin toss and, unexpectedly, chose to kick off, as if the Jackets were not able to move the ball. Well, they got drove!

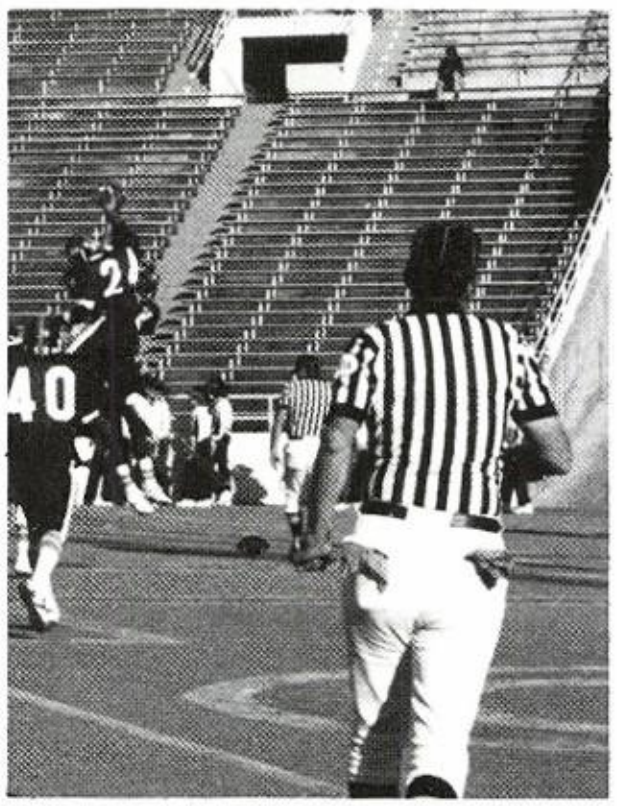
Ray Taylor's shoulder injury slowed his performance. Erick Harper had 11 out of 17 passes for 117 yards. Tony Brown rushed for 101 yards. Harper kicked two field goals, while he connected with Washington for an 18- yard touchdown. Wilson scored on a 19-yard wingback reverse. The Jackets showed that they were not only capable, but exceptional, football players-state caliber!



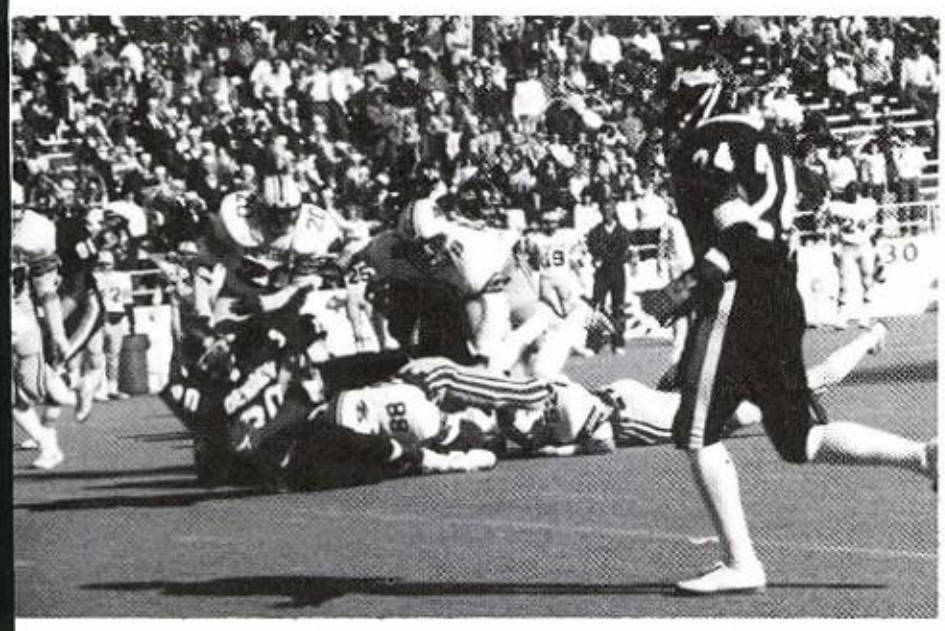
PUSH 'EM BACK-The awesome line holds the Tomball defense.



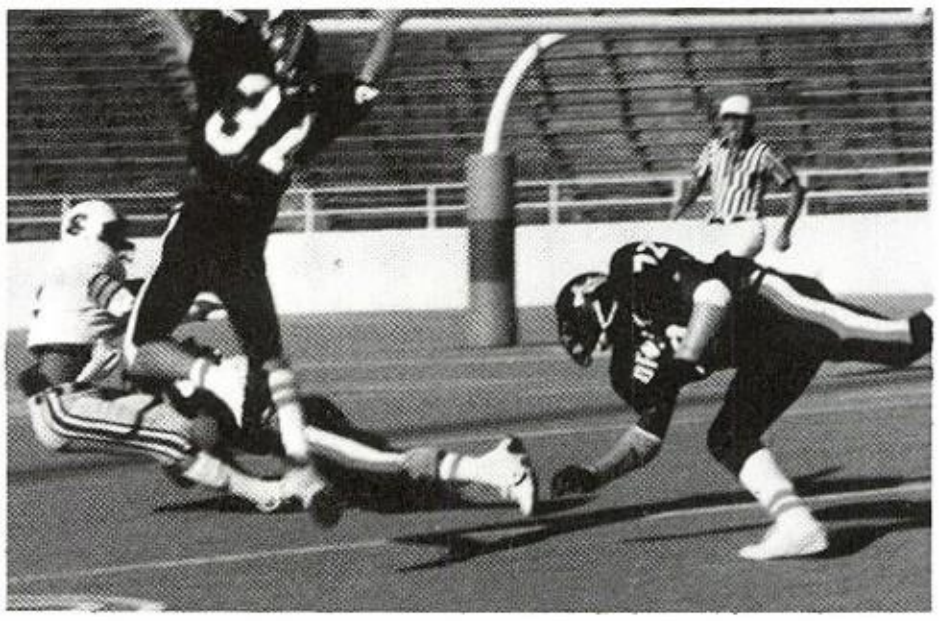
THE EYES OF TEXAS-The Jackets line up to prepare for their next attack against the Sweetwater Mustangs.



T.D.! Leslie DeHorney shows his joy about his touchdown.



DOGPILE-It takes more than one tough player to take down Tony Brown (30) at the Championship.



LEAP FOR JOY-John Wolf defends as the Tomball quarterback is sacked.

Twas the Night before Christmas...

Twas the night before Christmas and all through the town,
The people were hungry for the Championship crown.
The prayers of the city were all said that day,
In hope for the football title-Class 4A.
The children were snuggled in the back of the car,
For a trip to Waco that wasn't too far.
With Mamma in black, and I in pure gold,
The story of Baylor began to unfold.
The stadium filled at an incredible rate,
With fans hoping they weren't too late.
The Jackets jogged out with their heads held high,
Knowing this game was a do or die.
Next came the coaches with Coach Criswell leading,
While out on the field the captains were meeting.
The Jackets lost the initial coin flip,
And the kicking team gathered together for a tip.
Marty smiled and said, "We're here at last,
Now go out there and kick some ____."
The whistle was blown and the ball was kicked,
The returner took a step and then got licked.
The 48-minute War had begun
The winner of which would be number one.
The first half was fast, as the seconds left the clock
With score tied at a zero deadlock.
Halftime was quiet but the fans weren't dismayed
Cause they knew there was 24 minutes to play.
The second half started with the Tomball kick,
DeHorney went right and then left, which did the trick.
Starting at the six, he went 94
To put us ahead with 6-0 score.
The Jackets finally had old Mr. Mo
And Tomball knew it, which caused them woe.
Next came Ray Taylor, the new Duke of Juke,
Who proved to the Cougars, the Jackets weren't flukes.
Buck-Buck was next in big spotlight
As he raced around the end on his reverse flight.
Harper was the next hero in the game
As he wanted to announcer to call out his name.
His passes were all sharp and clear
Throwing to Washington both far and near.
Of course, due credit has to go to the line
Who were working their tails off most of the time.
Krueger got on his natural high
And Scott didn't let very many attackers by.
Perkins, Mayes, and Pryor all blocked fair
Skelton only clipped here and there.
The offense of course was only one side
The defense continued to be the source of our pride.
Harris, Taylor, and Brooks blocked up the holes,
With Fred and Elmar the outside controls.
The linebackers were doing the most of the work,
As Tony and Wolf tackled those jerks.
Tomball tried a passing attack to end their blight,
But it was stopped quick by Jackson and Wright.
Cobb and Byers also played very well,
Which scoreboard would tell.
Another important aspect was the fans,
Who screamed and yelled, and filled the stands.
The stands had all kinds of fans including Mom and Dad,
And there was also a safety dance by Bryan, Don, and Brad.
The gun sounded and the game was done,
The scoreboard said it, we had won.
All heck broke loose as some would say,
But everything quited as the band started to play.
After 16 games the dream came true,
As the alma mater finished with, "We are all for you."
For Christmas, Denison got what it wanted,
A state championship and the right to flaunt it!

By **Don** Martin

This poem was written as Christmas entertainment for an assignment in Ms. Gene Sickle's English class. It was a premonition of the Yellow Jacket State Championship, written a few days before the state game.

It's Great to be a Yellow Jacket

The Denison Yellow Jackets of eighty-four
Stepped on the field with forty-four
They came to play
They came to win
A cockey bunch of brave young men

Now Criswell came in eighty-one
And that's when the talk of winning begun
He talked of strength
He talked of speed
Conditioning he said is what they need

The coaches he brought, hired and trained
Were prophets of a winning game
Sometimes they'd teach
Sometimes they'd preach
Always putting goals within their reach

Now R.L. Turner was number one
The first we played, the first we won
With plays all tried
And spirits high
The Fighting Jackets had come to life

The Sherman Bearcats were number two
Our favorite archrival, this is true
With a strong desire
And a decisive win
Brought the Ole Battleaxe home again

Wichita Falls Hirschi was number three
Brought the first shutout, we were to see
A defensive battle
Hard fought and won
Football was becoming Denison's Favorite Son

The Durant Lions were number four
With the Power I, the Lions would roar
The Jackets won it in the end
We were four and 0
Four and 0, with six to go

The Paris Wildcats were number five
Here our passing game came alive
Conditioning won
The physical game
We were five and 0, and building fame

The McKinney Lions were number six
We won the game, but not by tricks
The offense and defense
They both came through
Stunning the district, this is true

The Allen Eagles were number seven
Our win, some believe, was blessed in heaven
Mistakes were many
Determination stood tall
We were tied for district, with Rockwall

The Terrell Tigers were number eight
It was Homecoming, and we played great
It was Offensive Dazzle
And Defensive Might
Rockwall and district, both were in sight

The Rockwall Yellowjackets were number nine
The District Championship was on the line
We won the game
Chased down our dream
We won our district, as a Team

The Gainesville Leopards were number ten
Our second shut out, and season's end
A Perfect Season
At Ten and 0
Now, to the playoffs, we would go

The DeSoto Eagles, the first we met
Were picked to win, the Harris Poll bet
To a hometown crowd
We won the game
We crushed DeSoto, but still no fame.

The Carthage Bulldogs were number twelve
It was the defense who played so well
The last shut out
Brought us twelve and 0
And dreams of state were starting to grow

The Area playoff brought us Jefferson-Moore
Worthy opponents that were quick to score
To the fans
Who came to watch that day
Saw the defense win in a glorious way

In Texas Stadium, The Quarter-Finals were played
Our Offensive Line pushed Corsicana away
Our town had gone wild
In hope to win state
Even the Christmas parade would be late

Back to Texas Stadium we went
To meet Sweetwater's Wishbone Offense
It was a defensive battle
And an Offensive Fight
We were going to state, we had won the right

Our opponent was Tomball, from down Houston way
Baylor Stadium, at Waco, is where we would play
Our opponent unbeaten
The best in the state
Still with the Harris Poll we didn't rate

The Town was ecstatic, the fans had gone wild
Our Jackets were going, in the grandest of styie
By car and by truck
By bus and by plane
Caravans were rolling to witness the game

Now Tomball had Greely, but we had a Team
And it was the defense who were to reign
For the Defense stopped Greely
And the Offense did score
It was "Great To Be A Yellow Jacket", state champs "84"

We were from the start, and were to the end
The Underdogs, never picked to win
To the Harris Poll Ratings
We point with pride
We met your best, and "Nailed Their Hide"

The DENISON YELLOW JACKETS of Eighty-Four
Stepped on the field with FORTY-FOUR
They came to play
They came to win
A cockey bunch of Brave Young Men

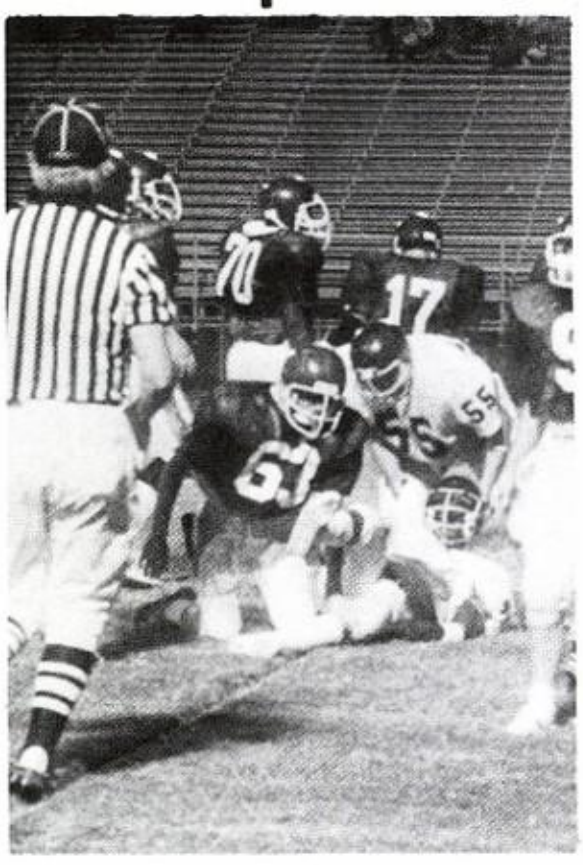
The following poem was written by Roland Krueger in honor of the efforts put forth by the Denison High School Yellowjackets football team which won the state championship this year. Roland, whose son plays for the Yellowjackets, is a magnetics manufacturing engineer in the Transformer Shop located at the Denison site. The poem was dedicated to the players and coaching staff of the championship team.

JV & Frosh have promising seasons

The Junior Varsity finished its season with three wins, six loses and a tie.

Most of the winter training was spent assisting the varsity as the JV was promoted for the extended state championship season. The players each saw a little game time in the playoffs and several contributed a great deal to the Jacket victories. They expect a successful season next fall.

The Freshmen squad ended their season with a win over Gainesville to make their record two wins and six losses.



WHERE AM I?A JV player wonders what hit him (above). Touchdown for the Jackets as they give Sherman a run for their money (top right). 41 dives for a first down (below).

Success eludes Jackets

The Jackets finished the season with a 4-23 season record and a 4-3 district record. Being denied three of five starters, due to the extended football season, the Jackets were not able to achieve their goal of a district championship.

Juniors, Robert Stubbs and Ronnie Kelly, stepped in to take on the starter's duties. Ronnie Kelly was this year's leading scorer, averaging ten points a game for the season.

Allen Mobley and Fred Washington were team captains. Mobley received the Mark King Most Valuable Player Award. Senior, Ronnie Corcoran and junior, Anthony De-Horney received the Elliott Pilkinton Fighting Heart Award.

Seven juniors will be returning to the 1985-86 varsity basketball team, hopefully to capture the district title.

Lady Jackets improve record

The Lady Jacket basketball team jumped off to a good start by defeating Paris 42-39 in the season opener. Angie Barnum led the team in scoring with 21 points. She was the team's leading scorer all season, at one point averaging 23 points per game to become North Texas' second highest scorer.

Injuries and outstanding district opponents ruined the girls' hopes for a district crown, but improved performance, a result of strenuous practice, contributed to the Lady Jackets' successful season.

Golfers improve scores

DID IT GO IN?-Allen Walsh helps his team get closer to a victory.

The golf team showed improvement on their scores this season. There were three seniors, one junior and seven sophomores on the team. The team should be strong next year with the junior and sophomores returning.

Captain Eric Floyd shot in the eighties, as did Jeff Fulenchek. At the Spring Sports Banquet, Coach Osbourn Davis said that the golf team was a hardworking team.

They practiced at the Rod and Gun Club on Tuesdays and Thursdays, and at the Grayson County Golf Course the rest of the week.

The district tournament was played at Tanglewood and they got fifth place overall.

Tennis team is district champion

The tennis team worked the whole season toward the coveted district championship. They worked as a team all year by winning several team championships along with numerous individual honors. The team had shirts reading "District is our Goal" and knew that it was there for whoever wanted it the most. The Yellow Jackets wanted it and by working together to total 15 team points, they captured the district championship.

Girl's team wins district championship

The Denison girl's district team gathered ten points to take the girl's team championship. The closest competitor was Rockwall with six points. All of the Denison girls made it to the semi-finals, with a doubles and singles entry going to the finals. DHS has the best girl's tennis team in the district.

Wyatt places 5th in State Meet

By Butch Hall

Nell Wyatt was the first Denison High School girl to compete in the class 4A state track meet at the University of Texas in Austin where she placed fifth and finished 4.4 seconds behind the leader.

Wyatt competed at the Region II meet in Denton. She won second place in the 400 meter dash with a time of 59.2, just two-tenths of a second behind the first place winner.

Wyatt's accomplishments are even more remarkable because she is only a sophomore running in her first varsity season. She collected five medals in the Max Goldsmith Relays in Lewisville.

Wyatt is only the second girl from Denison to qualify for the state meet. Natalie Polk competed in the shot put in Austin several years ago.

Wyatt finished her track season with her best time of 58.0 in the 400 meter.

Jackets win big in relays

Ladies win 1st district track crown

By Gwynne Matlock

The Lady Jackets gained their first ever district track title with a 114-113 win over Terrell.

"I'm just happy for the girls," said head coach Warren Trimble. "They have worked hard and we have finished second for two years in a row, so this is nice," he said.

Carrie Shope won the mile run with a time of 6:00.58. Carla Clark was second with a time of 6:02.19 and Paige Hudgins was third with a time of 6:02.98. The Lady Jackets won the 1600 relay with a time of 4:23.66 to cap off the win.

"This is just icing on the cake," said Coach Trimble. "The girls have worked hard, but we still have a lot of young girls on the team. This district title can just be a foundation to work on.

Nell Wyatt finished second in the triple jump with a leap of 35-7 and Wyatt won the 400 with a time of 62.5.

"I felt we would do pretty well in the relay," the coach said.

Coach Trimble took over the girls track program three years ago and has watched his team finish second in the last two district 5-AAAAA meets.

By Amy Papoi

Nell Wyatt won second place in the 400-meter dash with a time of 59.2, finishing just two-tenths of a second behing the first place winner at the regional track meet in Denton.

She also entered the sprint and mile relays, the long jump and the triple jump.

Wyatt, with the team of Darlene Flemmings, Shawnna White, and Karen Beard, finished third in the mile relay, just missing a trip to state.

"Mental attitude is the main key to winning," said Coach Warren Trimble. "We want everyone to believe in themselves, and then in what they are trying to accomplish. After they've done that, then they have established two of their priorities," he said.

"Nell is not only running for herself, but for the good of the community and we hope everyone will come to Austin and see this champion," Coach Trimble said after the regional meet.

Jackets finish 2nd in district

By Anthony Byers

The Terrell Tigers captured the boys district track crown in Gainesville when the Tigers compiled 142 points. The Jackets finished second with 114 points.

While they did not win the district title, the Jackets placed seven athletes in the regional meet.

The sprint relay of Derrick Cameron, Ray Taylor, Aaron Jackson and Donald Parker advanced to the regional meet, winning first in the 400 meter relay with a time of 42.36. Terrell was second with 42.54.

Taylor won the long jump with a jump of 22-9.

Tony Brown took the discus with a throw of 141-11.

Jackson won the 110 high hurdles with a time of 15.26. Brown was second and John Wolf placed fourth.

Cameron won the 200 meter dash with a time of 21.40. In the prelims, Erick Harper fell coming into the final meters and did not make it to the finals.

The boys track team finished its season at the Region II meet in Denton.

The injury of Derrick Cameron broke the Jackets' hopes for going to the state track meet in Austin.

The relay team of Cameron, Donald Parker, Ray Taylor and Aaron Jackson finished sixth. The team had won seven of eight races before regional meet.

The intense competition in Denton was too much for the Jackets.

Taylor finished third in the long jump with a jump of 22-5.

Jackson took fifth in the high hurdles with a time of 15.07 while Taylor came in seventh in the 100.

Danny Hauber, in the high jump and Tony Brown in the discus both failed to make the top six.

TEAM WORK-Raymond Wilson scores on a basehit by a fellow teammate.

WHAT?-Bryan Smith listens on while Coach Comstock explains the situation.

Jackets win 2nd consecutive district title

By Richie Stein

The Yellow Jacket baseball team brought home the district championship for the second year in a row finishing the regular season 18-4 and district 10-1. This has been the year for the Jackets in terms of their impressive record.

The play-off game was very exciting, there were only four hits by each team and most of them came in the sixth and seventh inning, the final score was 5-3.

Tony Plauche got his seventh win of the season, and was 7-1 on the year in regular season play.

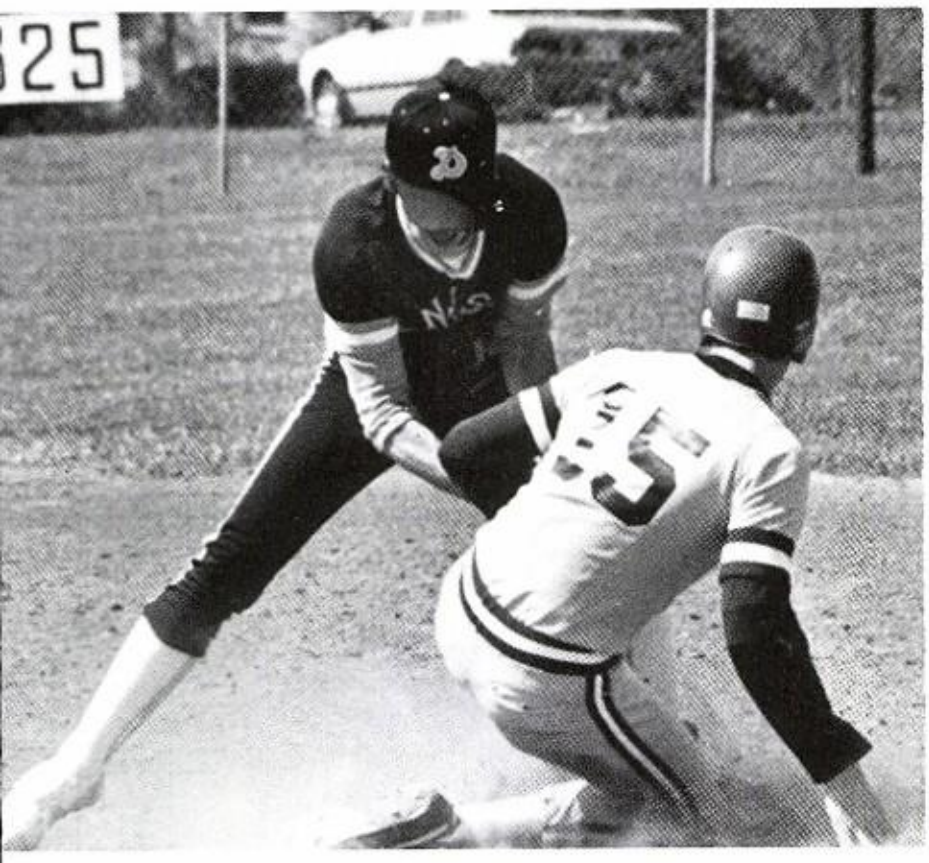
Jackets place five on All-District Team

The District Champion Yellow Jackets placed five players on this year's district 7-4A all-district team.

Denison head coach, Ty Comstock and Allen head coach, Glenn Verba shared the honor of coach of the year, and Ty Comstock, Jr. and Tony Plauche shared player of the year honors.

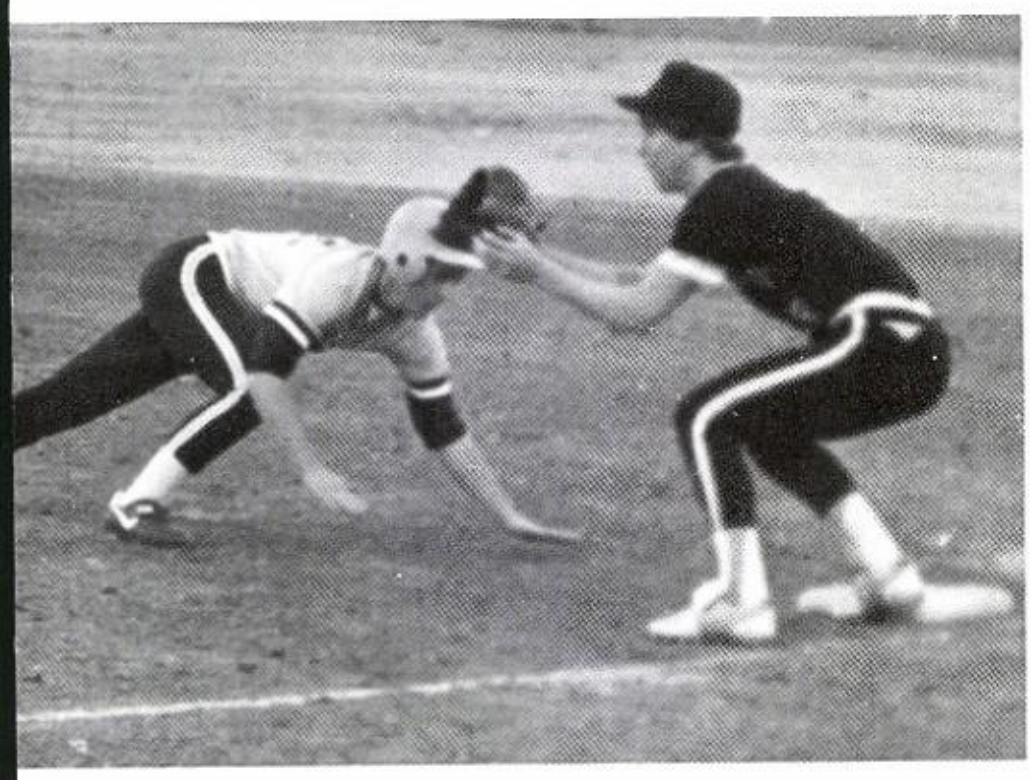
Outfielder, Raymond Wilson; second baseman, Allen Mobley; and shortstop, Ronny Crouse were all named to first team all-district.

Third baseman, Richard Patterson was named second team behind Allen's third baseman, Brian Chandler.



CAT BUNTER-Ronny Crouse puts out a Bearcat (above). **A HIT**-Richie Hollensed connects for another timely hit (below). **ON TARGET**-Bryan Donowho fires another strike (top right).

BROTHERS-Ty and Darren Comstock discuss the situation (right). **THAT'S TWO**-Allen Mobley completes the double play (bottom left). **GOOD TRY**-Bryan Donowho takes a pickoff try from the pitcher (bottom right).



My Unforgettable Family

By Bart Bush

Normally, when someone writes of an unforgettable character, it is a person. My most unforgettable character is a group of people who worked together as one, a team. It is the Denison baseball team.

I felt closer to the members of this team than I have ever been to any one person. When we worked together on the field to beat Allen in that first playoff game, was when I felt that togetherness for the first time. The feeling I had that day will be one I will never forget. But then, like everything, there must be some hard times.

These hard times hit us hard Friday in the game against Athens. The pain and sorrow I felt that night with the rest of the team, was the most moving experience in my life. It is hard to believe it is over now. Yet, after feeling that much pride, character and togetherness, I feel that we were more than a team; we were a family.

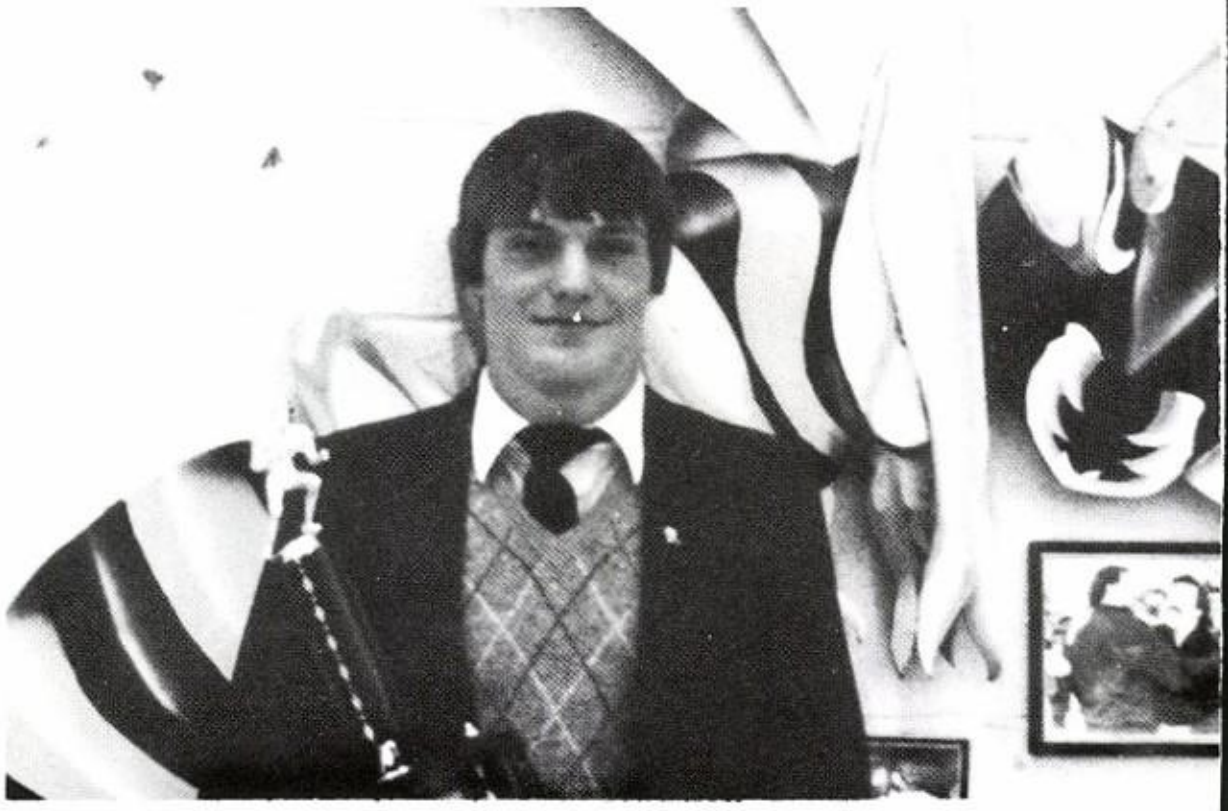
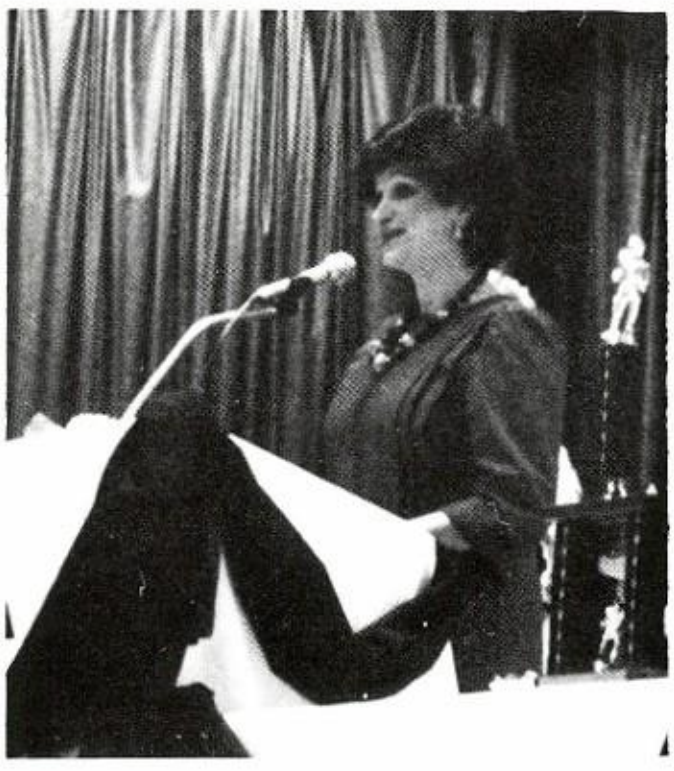
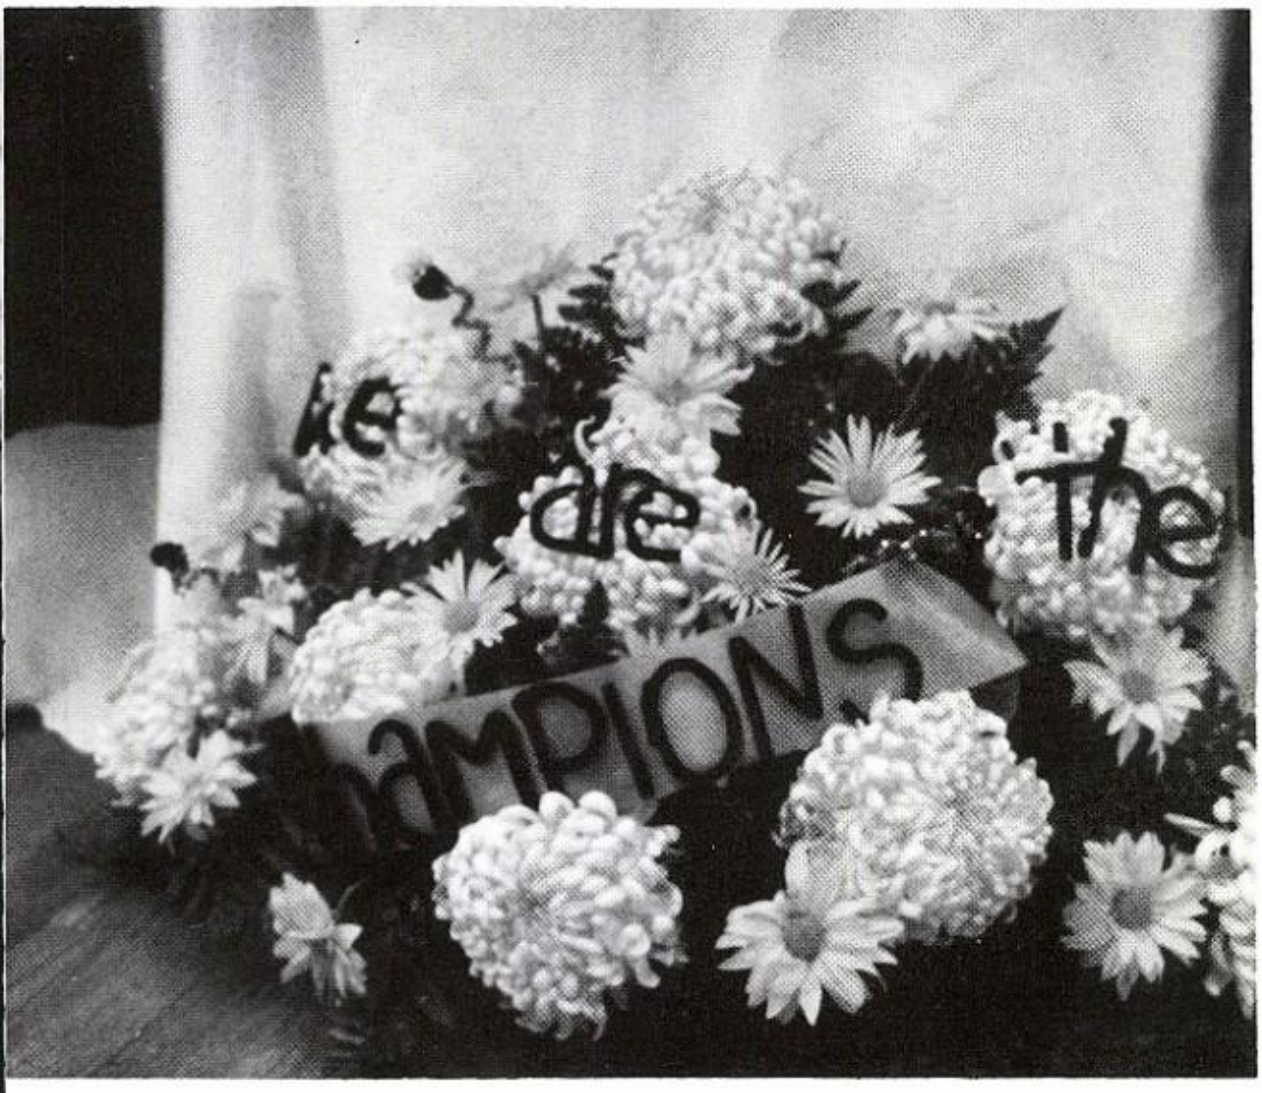
Banquet celebrates Championship

C-E-L-E-B-R-A-T-I-O-N-A large crowd of fans gather at Silver Wings Club for the football banquet. Media personality Gil Lee reads a poem composed by Roland Krueger Sr. about the Jackets' season (see page 148). The club was decorated with Yellow Jackets and photos of the team in action. Kevin Perkins poses in front of a mean Jacket with his Most Improved Player trophy. Cheerleader sponsor Cathey Williams praises the girl's untiring efforts during the exciting, long football season.







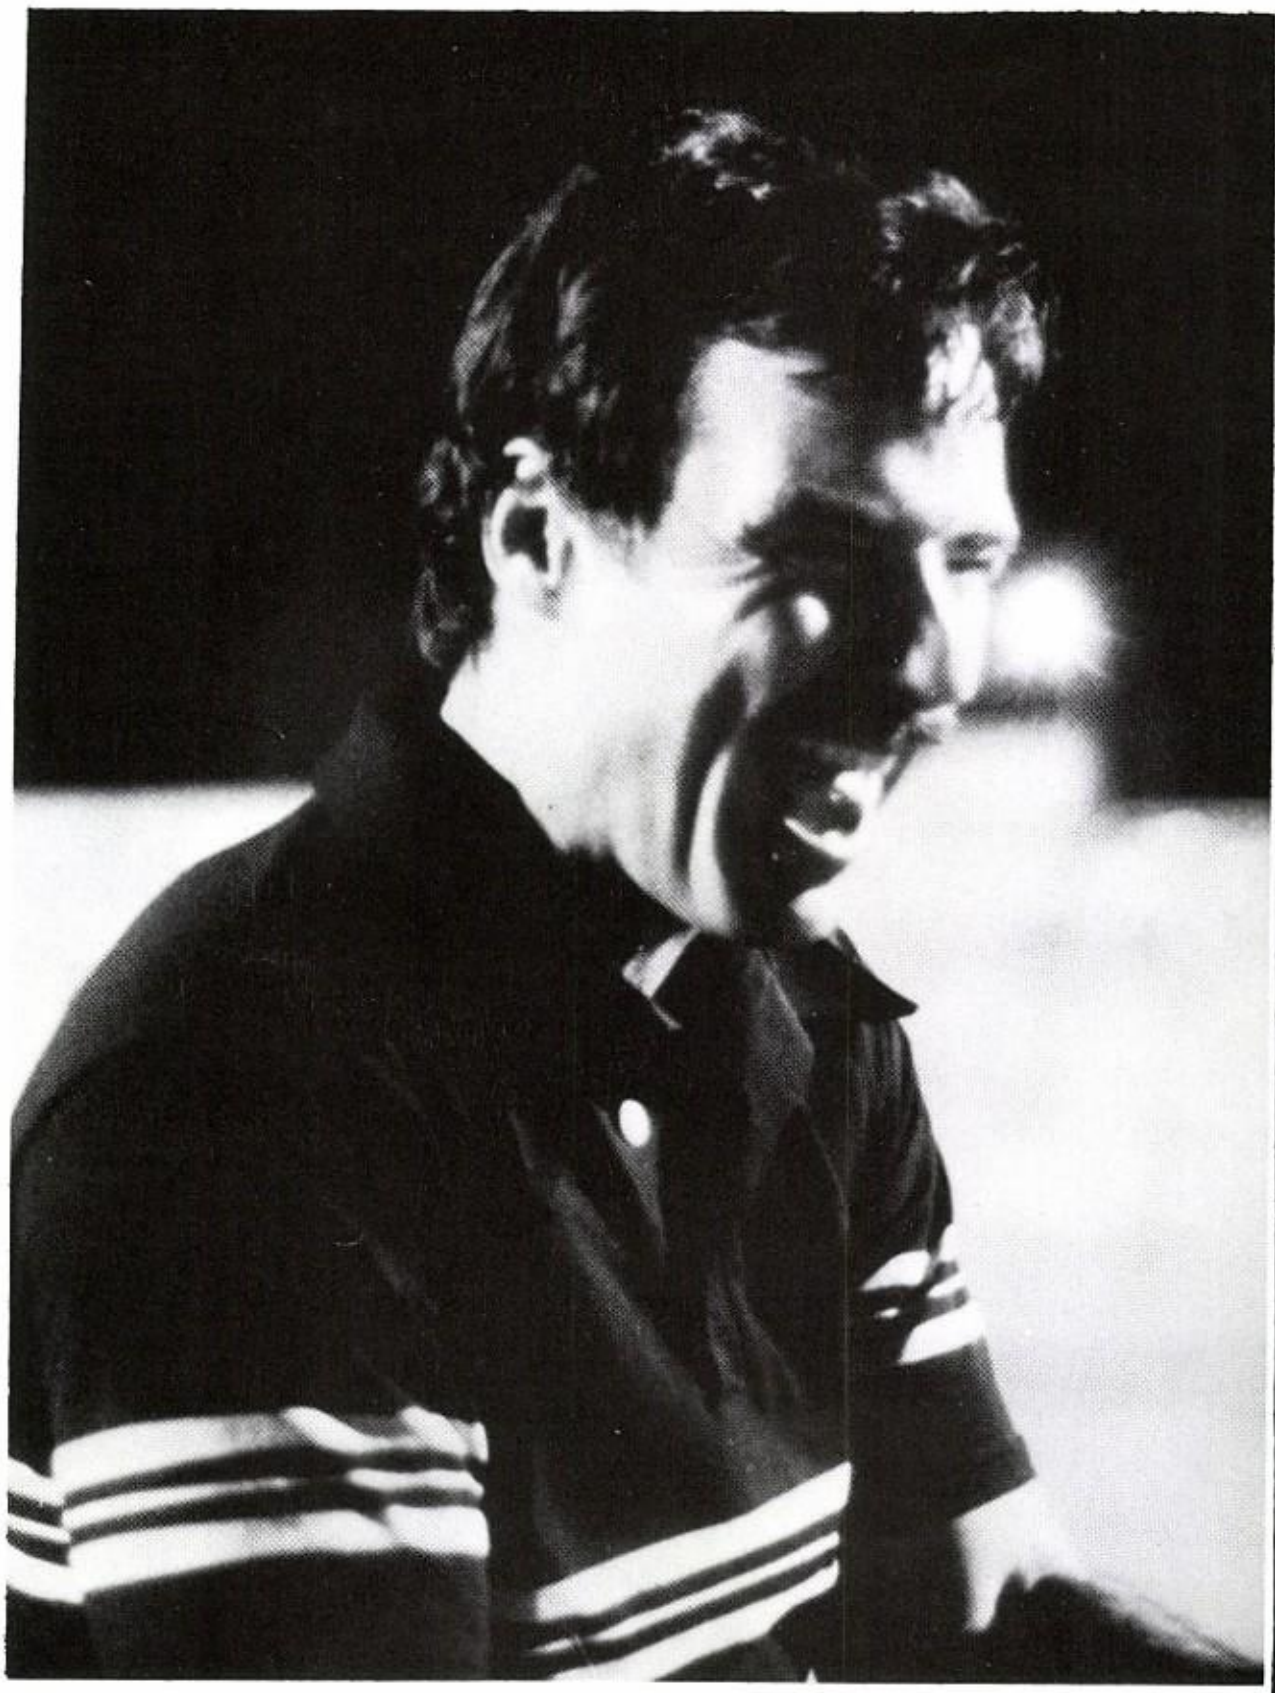
The Bouquet Tells The Story-Yellow Jacket Club President Kay Skelton (seated left) and past president Ben Bardwell (standing) enjoy the accolades with Mrs. Monica Criswell and Coach Marty Criswell. The winningest coach in Texas, Gordon Wood of Brownwood, inspires the audience. Fellowship of Christian Athletes president Scott Skelton gives the invocation. Team Captains Tony Brown, Ray Taylor, John Wolf and Fred Washington sit at the head table with the other dignitaries. Awards went to Skelton for highest academic average, Kyle Perkins and Reggie Brooks and Gary Don Wright, most improved players, Brown, most valuable player, Taylor and Washington best offense and defense players of the year.

To be a Yellow Jacket

By Phillip Harris

Things you must have to be a Yellow Jacket:

1. You have to be a good person in your self.
2. You have to believe in yourself.
3. You have to believe in your fellow team mate.
4. You have to be able to go when things are rough.
5. You have to work hard.
6. You have to give 100% all the time.
7. You have to learn from your mistakes.
8. You have to get better every day.
9. You have to prepare mentally as well as physically.
10. When battle cries, you must perform at your best, let your hair down and GO FOR IT!



16-0

Superstitions often grow around sports contests, and predicting scores of the Jacket games is one of custodian Elmer Brewer's hobbies. Mr. Brewer used the following signs as indicators that the Jackets would not only win the state championship, but would do it with a perfect 16-0 record:

--the Jackets played their first football game in 1916.

--the first game played this year was a 16-0 victory over R.L. Turner.

--there were 16 yellow jacket nests under the eaves of high school.

Texas Coach of the Year

Head coach and athletic director Marty Criswell was named Coach of the Year by the Texas Sports Writers Association joining Brownwood coach Gordon Wood as the only non-AAAAA coach to receive this honor.

"It's a fantastic honor for our coaching staff,: Criswell said.

Coach Criswell received 756 points in the balloting finishing ahead of AAA state champion coach Jack Narrell.

"We have a state championship coaching staff," the coach said. We have a great blend in terms of experience and youth. The staff is very balanced. Everyone has got something he does better than everyone else, and we do a good job capitalizing on each member's strength."

Coach Criswell was also named the Five-State Coach of they year by the coaches groups from Texas and its surrounding states.

AWARD WINNERS-(standing) Anthony DeHorney, Ronnie Corcoran, Sherrie Kincade, Allen Mobley, Kay Bryant, (seated) Sandra Brown, Shelli Taylor, Angie Barnum, and Darlene Flemmings show awards they received at the winter sports banquet.

SAY CHEESE-Richard Patterson smiles while showing the newest look in T-shirts (top left). **Vogue-HERE I AM**-Rhonda Fritts models a turquoisejumpsuit (top right). **NOW WHAT?**-Ronny Crouse models the muscle shirt and parachute pants look (left). **GLAMOUR GIRLS**-Crop pants, sleeveless sweaters, pastels, and flats are modeled by Kelly Spradlin and Tisha Robinson (bottom left). **COOL AND CASUAL**-Amy Derden and Lori England model marine and muscles shirts (bottom right).

Look at that Championship Style

Denison may be small in size, but not in imagination or style. T-shirts and Levis to pretty pastels were worn.

The latest and most bizarre style this year was the fluorescent scene. Everything from the bows in their hair and the earrings in their ears to the shoes on their feet was bright and bold.

Also the Yellow Jacket sweatshirt was a hot new look, not to mention original. This was one style that was not copied from anyone else.

Then, there were the pastels. Jumpsuits, crop and ankle pants and short sleeved sweaters were the most popular fashions this year in soft romantic shades of blue, pink, yellow, turquoise, and white.

As long as it was comfortable to the students, it was in style.

SITTING PRETTY-Lori Williams, Marilyn Jones, and Jennifer Hysmith show many stylish outfits (top left). **SMILE**-Mrs. Katrina Smith tells all when she agrees--teachers have style, too (top right). **OOH-LA-LA**-While sitting in this new Fiero, Marilyn Jones shows the present flourescent look (below).

Veteran high school employees retire

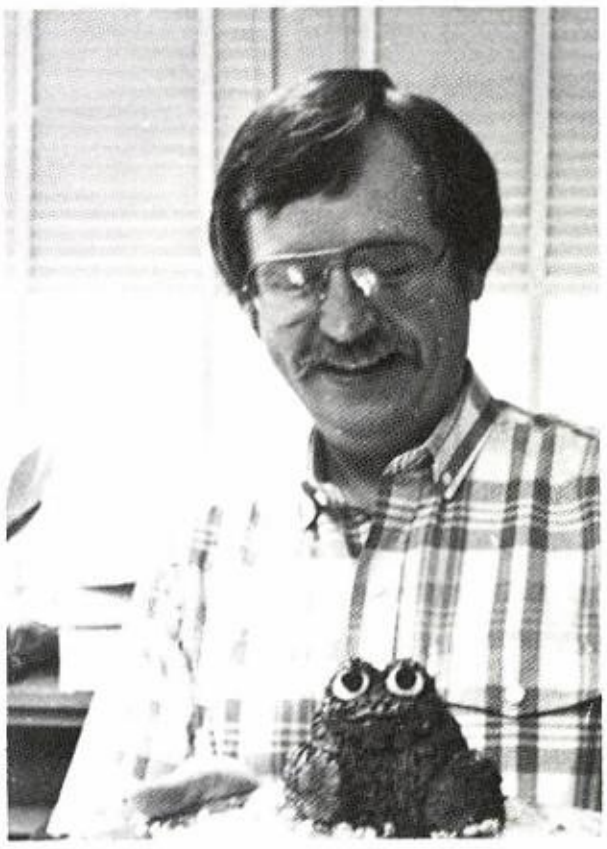
Three veteran school employees retired at the end of the 84-85 school year.

Mr. Vernon Kumler and Mrs. Ann Whitworth retired from the vocational department and Mrs. Helen Martin retired from the food service staff.

Mr. Kumler taught building trades for the past ten years for the DISD. His students learned about construction from below the ground up starting with preparing for the foundation and finishing the year showing off their finished product. The sale of the houses financed the project.

Mrs. Whitworth completed 20 years in the DISD. Over the years she taught physical education and sponsored the cheerleaders. When the co-op vocational program started, she moved to the vocational department and taught vocational office education and served as coordinator for the V.O.E. cooperative employment program. She sponsored the Office Education Association.

Mrs. Martin, a long-time member of the food service staff, contributed her bright smile and happy disposition to the lunchroom atmosphere. Her son, Mr. Mark Martin, serves as president of the Board of Trustees.



On the Light Side-Spanish teacher Mrs. Sue Finley and Latin instructor Mr. Bill Gray (far left) celebrated '50's Day by wearing clothing they had worn in the fifties. Mr. Gray, the father of 12 children, was studying for the priesthood at that time and Mrs. Finley proudly sported her steady boyfriend's ag jacket. He later became her husband, Mr. Olan Finley

Mr. John Terry, left, shows off his frog cake, another tribute to the science teacher's penchant for the green ones.

Thanks for "Championship Year"

The feelings I have about this year and the yearbook could never really be expressed i words. With all of the winners DHS has had, the theme, "Year of Champions", definitely applies to the 1984-85 yearbook, and we, the staff, tried to capture as many of these mc ments as possible for you. From winning the state football championship to winning the sweepstakes award in UIL to winning district in JV basketball, tennis and baseball just to name a few.

Our goal was to produce a book that you can look back on years from now and relive these high school days. I feel we have achieved what we set out to do, and I hope you feel the same.

All of this could not have been possible without a very special group of people, the mc talented and dedicated group I have ever had an opportunity to work with--the yearbook staff pictured below.

Creating a yearbook requires hard work, time, determination and dedication. That is what the staff did to make sure the job was well done. Members put in many hours worki on the yearbook, not only in class, but outside as well.

Then, there was one of the most difficult tasks of all for the staff to take on--tolerating me when it got close to deadline time. I was impossible to work with, always yelling, screaming, ranting and raving "get to work and get it done right", and they did without complaining. So, to the staff, I would like to say "THANK YOU" for all the work you did, all the hours you put in and for putting up with your gripy editor.

A special thanks also goes to the Journalism I and the photography classes. They wrote stories, did layouts and made pictures which helped us get the book finished faster. There were also those who just came in on their own time to help do some of the odds and ends that had to be done. A special thanks to Kyle Perkins, Kevin Krueger, Rocky Watson, Tam my Vaughn, Gwynne Matlock and everyone who helped with the yearbook.

Thanks to our adviser, Mrs. Kay Casey, for all of the support and patience she had on those days when we just had to "goof off".

Thank you faculty, staff and students for all of the picture retakes, and to the custodians for letting us stay in the classroom until the job was finished.

I've said my thanks, I hope I haven't forgotten anyone, now it's time to say goodbye to wonderful year and some very wonderful people. Friends, faculty, staff--you've all made this year so successful.

It's definitely been a "CHAMPIONSHIP YEAR".

Thank you,

Amy Papoi
